York man of some prominence, but He has transmitted through His in the fact that a prominent and influ-spired apostles, leads the reflective ential paper in his own State don't mind to inquite, what shill we do know whether he is dead or alive, is a with this Jesus!

THE Mormons have received a blow from the Sapreme Court of the United States. Under the ED-MUNDS act one AUGUS M. CANNON was convicted in the Utah court and sentenced to imprisonment for polygamy. The case was appealed to the Supreme Court which affirmed the dicision of the court below. There is a faction among the Mormons themselves which opposes plural marriages; this fact coupled with the dicision of the court will go far towards breaking up this foul blot upon American civilization.

PARNELL'S efforts in behalf Ireland are about to be crowned with success. With the aid of the Liberals, lead by GLADSTONE, Home Rule with full control of all local affairs will be granted to Ireland. The consumation of this would be one of the greatest political events of the times; the eyes of the world are now turned toward Mr. GLADSTONE as the fate of Ire of the United States. sured; if they divide on this question, the agitation will become stronger and more determined.

THE N. Y. Sun offers the most sensible and practical solution of the Presidential succession we have seen yet. It favors an amendment to the Constitution empowering the House of Representatives to elect a President to serve out the unexsecondary to the other quained the President and Vice-President.

That body already has the power to elect a President when no one of the candidates voted for by the electoral colleges has a majority of clectoral colleges has a majority of clear that the people of superiority in broadcative chergy.

Superiority in broadcative chergy.
