THE REPUBLICAN CONVENTION Two Candidates Nominated. The Republicans of the second Congressional District assembled at Fisher's Hall, Kinston, yesterday for the purpose of nominating a candidate for the fiftieth Congress. It was the most successful convention that has assembled this year, for it nominated two candidates and only three ballots were taken. The convention was called to order by W. W. Watson, chairman of the ezcontive committee. After calling the

meeting to order he requested every body in the hall to retire, delegates and man refused to proceed unless they did meeting and S. N. Hill of New Berne was made temporary secretary.

The roll of counties was called and nine counties banded in their creder tials

A committee on credentials was appointed and after they had reported, and the convention organized, nomina tions were declared in order. While the committee was preparing

their report, speeches were made by B. F. Parrott, E. R. Dudley, W. P. Mabson, steamboat managers and ticket agents Arrington, of Halifax, Buebde, of are at Fortress Monroe in a three days' Greene, Geo. Lloyd, of Edgecombe; and Wm. Hill, of Halifax.

R. S. Taylor arose to place a candidate in nomination. At this juncture B. F. Parrott, of Lenoir, mounted a bench and bogged the convention to "Hear me for my cause, and be silent that you London is becoming insufficient. A may hear." But the convention would not hear and Taylor was permitted to resume the stand and place in nomination Haywood Revis, of Warren, as the Lumpkin, Ga., says that among the candidate of the 2nd district for the

A ballot was ordered which resulted in no election, Abbot leading with ten Voles.

On the second ballot Abbot was nomi nated amidst much enthusiasm. He appeared in the convention and accepted the nomination
