A CULLUD SARMON

Delibered from de Kerridore in Nothin for Today.

I hope I gibeth offence to no one for what I has to say.
De sarmon will be very short and to de here and de Nex.
De Bible was dun made to count for de world or de Nex.
De world dat was is all dat was a callin me like a magnet now.
Whenever anybody gemman has got his time to die
An nobody time when it ought to take a nap
To get ready for de Nex.
When Moses was in de Wilderness he was across the waters of Jordon.
He had to keep on a-goin as far as he could
An when he could go no further he had to keep on a-standin
He stood in deir midst.
Now I has been promised dat I shall not die
But I has to be changed in de twinkle of an eye
An when I arrive in de Nex
I shall be satisfied
Dat I has got to de right place
An when I gits dere I shall not have to take a nap
To get ready for de Nex.
When Moses was in de Wilderness he was across the waters of Jordon.
They had to keep on a-goin as far as he could go
An when he could go no further he had to stop
An stood in deir midst.
Now I has been promised dat I shall not die
But I has to be changed in de twinkle of an eye
An when I arrive in de Nex
I shall be satisfied
Dat I has got to de right place
An when I gits dere I shall not have to take a nap
To get ready for de Nex.
Now you know how de story is to be
An when you comes a-looking for me
You must look for me in de Nex
An when you comes a-looking for me
You must look for me in de Nex
An when you comes a-looking for me
You must look for me in de Nex
Along by de tree.

You must know how de story is to be
An when you comes a-looking for me
You must look for me in de Nex
A-sitting by de tree.

Keep a-goin an a-doin as we go
An when I arrive I'll be there
An when I arrive I'll be there
An when I arrive I'll be there
Keep a-goin an a-doin as we go
Keep a-goin an a-doin as we go
Keep a-goin an a-doin as we go
