THE PANIC IN WALL STREET. discussion in regard to the return The speculators of Wall street of the captured Confederate dags pervading our county town.

Friday ast and another "Black Friday" was imminent. The news soldiers did not ask for them, nor was sent out from Washington City that Secretary FAIRCHLD was watching the affairs of Wall street modif a panic seemed imminent he modif is peakse about \$9,000,000, and would, if it became necessary offer to redeem at once, without rebate, sould release about \$9,000,000, and would, if it became necessary offer to redeem at once, without rebate, sould release about \$9,000,000, and would, if it became necessary offer that two were contracted on them to show ing whether you are planting an would all to redeem at once, without rebate, sould release at once, with \$19,000,000 three per cent. bonds. that they were captured by an army ing whether you are planting an port.

We cannot understand why it is of 2,800,000 Federal soldiers from early or a late variety, or if early you will be apt to get a fair price. always necessary, and the Secretary of the Treasury is always ready to to go to the relief of Wall street many were captured in actual bat. when the speculators, gamblers tle; when, where and by whom tatoes from every little corner and thieves produce a panic. We the final surrender of the armies, never hear of these extraordinary when, "after four years of ardnous earliest variety from a reliable steps to relieve the pressure upon farmers when there are short crops of cotton and wheat, and the prices of cotton and wheat, and the prices are low, but just let a panic start among the gamblers and the govern-ment comes to the front at once. JEFFERSON DAVIS-HIS EFFORTS
