found in the resistance offered by

of the Rhine. There were fourteen

stumps of pillars junder the water

beds of stone to prevent under-

mining by the current. The wood

work has been destroyed to the

lepth of not more than an inch and

a half, and having been taken out

furniture. The expense of removing these pillars is \$15,000, or

nearly \$1, 100 each, on account of

the great amount of time and labor

that had to be spent on them .--
