EDITORIAL NOTES.

NEITHER Trusts nor tramps are products of the low tariff era.

NEW YORK's contributions to the yellow fever fund exceed \$1,000,000.

Not for one moment has Howe lowered the flag of the untried Democracy.

GEN. BAZAINE, late Marshal of France, died in Madrid, on Sunday of heart disease.

The joint debate is over, and neither Bowles nor Berry is down with indigestion.

MULTI-MILLIONAIRES and con tract paper laborers came with the protective tariff.

It is reported that Emperor William and Prince Bismarck are no longer friends.

FOOTER in Alabama is the good news that comes from Montgomery. Praise the Lord!

Now come the farmers of Iowa and say the war tariff must go. He is going to do it, the war tariff, by getting New Jersey to become a paper in a bazaar in the city.

It has not been the custom of regulars for the past six years, at which the votes were cast, to be cast and every man to vote. Democrats were beaten in New York's gubernatorial election.

It is reported that the farmers of Lancashire, England, have commenced raising on short time, the mill owners object being to defeat the American cotton crop.

It is reported at Democratic headquarters that the farmers of Western New York who have here before been Republican are now almost to a man, for Cleveland and Thurman.

The fourth biennial meeting of the Order of Odd Fellows which was to have convened at Nashville on the 2d of October, has been postponed until the 14th Tuesday in November.

WHY should political ethics

be disregarded?—Political progress has been too slow, but in literature and in art there has been a veritable all-round success.

Success is a recent century

comparatively, but in science we have seen such rapid development that it is difficult to believe it.
