Dyspepsia

Makes the lives of many people miserable, and often leads to self-destruction. Distress after eating, sour stomach, sick headache heartburn, loss of appetite, a faint, "all gone" feeling, had taste, coated tongue, and fregularity of the bowels, are Distress some of the more common After symptoms. Dyspepsia does Eating det get well of itself. It requires careful, persistent attention, and a remedy like Hood's Sarsaparilla, which acts gently, yet surely and

efficiently. It tones the stomach and other organs, regulates the digestion, creates a good appetite, and by thus Sick tems removes the sympa Headache ic effects of the disease, banishes the "I have been troubled with dyspensia. had but little appetite, and what I did eat Heart- distressed me, or did me little good.
