urge upon the State officers the duty of using the offenders to trial. promptly branging the offenerers to trunt. This was flow on his telegram to the Governor of Louisiana as early as the 15th of March. It it shall result that the case can be prose

cuted only in the State courts of Louisiana 15 MR, March 24, 1891. and the usual judicial investigation and pr cedure in for the criminal law is not resorted to, it will then be the duty of the United States to consider whether some other form of redress may be asked It is understood that the State terand dury is new investigating the affair and while it is possible that the mry may fai e present indictments the United States cand assume that such will be the case.

United States did not by the treaty with Italy become the insurer of the lives or propenv of Malian subjects resident within our territory. No Government is able, however high its civilization, however vigilant its ince supervision, however severe its criminal le, and however prompt and inflexible its fin us against violence promoted by in al mance or by sudden popular tumult and exports smaller. toreign resident must be content in such cases to share the same redress that is offered the law to the citizen, and has no just enuse or complaint or right to ask the interpositio his country if the courts are equally open to im for the redress of his injuries.

The treaty in the first, second, third, and only in the twenty-third articles, clearly FOUR Italians in a row boat on Miller's River, at Orange, Massachusetts, were swept | over a dam and drawned. nits the rights muranteed to the citizens o outracting powers in the territory of each equal treatment and to free access to the JOSETH HAMMEN, an employe of the Schlitz brewery, in Milwaukee, fell into a yat of boiling water and was scalded to courts of justice. Foreign residents are not made a favored class. It is not believed that Italy would desire a more stringent construcnon of her duty under the trenty. Where the death. monty inflicted upon a foreign resident is not MR. and Mrs. Christian Preuss, aged 73 the act of the trovernment or of its officers, but and 71 years, respectively, were sufficiented by coal gas, at their home, in Wankesha, Wisof an individual or of a mob, it is believed that no claim for indemuity can justly be made unless it shall be made to appear that the public authorities charged with the peace of the community have comined at the unlawful Havana from Philadelphia, one of the tauks on board exploded. The first engineer and a act, or, having timely notice of the threatened danger, have been guilty of such gross negli-gence in taking the necessary pre-autions as to watchman were killed.

mut to connivance. If, therefore, it should appear that among those killed by the mob at New Orleans, there

were some Italian subjects who were resident or domiciled in that city, agreeably to our treaty with Italy, and not in violation of our comigration laws, and who were abiding in the peace of the United States and obeying the laws thereof and of the State of Louisiana and that the public officers charged with the duty of protecting life and property in that city countyed at the work of the mob, or upon proper notice or information of the threatened danger failed to take any steps for the preser-vation of the public peace, and afterward to bring the guilty to trial, the President would, under such circumstances, feel that a case was established that should be submitted to the consideration of Congress with a view to the relief of the families of the Italian subjects who had lost their lives by lawless violence. Accept sir, the renewed assurance of my

## Blaine's Reply in Rome

The reply of the United States Secretary of State, Mr. Blaine, to the Marquis di Rudini's last tote on the subject of the New Orleans affair is the only important subject of conveation and newspaper comment throughout

When it became known that the reply had reached Italy, the Marquis di Rudini, the United States Minister, Hon. X. G. Porter, other persons holding positions which oremost into the deep, soft mud. would enable them to express valuable opin ions upon the New Orleans dispute, were be-sieged with interviewers.

themen referred to were able to express is that the controversy is in course of adjustment and that so far as the furner a concerned the diplomats will seek chiefly t establish and maintain the correct constru the various points of international las which hear directly or indirectly upon the
