THE miners at Clinton, Indiana, have ac opted the price officed by the operators, 70 its per ton. THE bituminous coal operators at Terre

Haute, Indiana, have notified the striking miners that they will grant last year's prices or mining. THE grievances of the engineers and fire

en on the Queen and Crescent Railroad have n adjusted. The settlement is satisfactor; both sides. THE Secretary of the Treasury has made a

eduction of \$4000 in the annual expenses of he Appraisers' Office in Philadelphia by the ssal of six of the force, including two examiners.

A DESPATCH from Oskaloosa says that the wa miners have decided to stand by the tion of their State officers. It is expected that a demand will be made for eight hours and pay every two weeks.

THE miners' strike in Illinois is practically at an end. The men at Spring Valley, Streator Braidwood and Wilmington have resumed work. The men have all signed contracts which in no way differ from those of last

THE officials of the United Mine Workers have declared a strike against the Cabot Coal Company, of Washington, Indiana, because of the refusal of the operators to submit differences to a board of arbitration. The strike in-

is investigating the case of five Englishmen who are supposed to have come under contract to work on W. W. Durand's yacht Utawana. The men are H. Bazzo, T. Bazzo, W. H. Robinson, I. Collins and Thomas Elbers. Mr. Durand will be summoned to New York and examined.

Railway Trainmen has declined the invitation of the Boston Central Labor Union to participate in the mass meeting to be held under the auspices of the later organization in Franklin Park, July 4th. The Park Commissioner declined to allow the Park to be used for that purpose, but a number of labor organizations

ropose to meet there in defiance of the au porities. ASSISTANT Secretary Nettleton has ordere the release of twelve Italians, who were de-

This is the greatest mber ever recorded, January of last year when the grip prevailed, showing the largest number of deaths for a month up to that time

Disturbances.

the United States was simultaneously soused was made ragged with a cyclone. The conand west from this city showed a state of affairs seldom, if ever equaled. Soa king rains

winds to New York on the one side, to New Orleans on the other, stretching beyond St. Paul and Minneapolis to the north, and in the West for an indefinite distance. Milwaukee reported the worst electrical

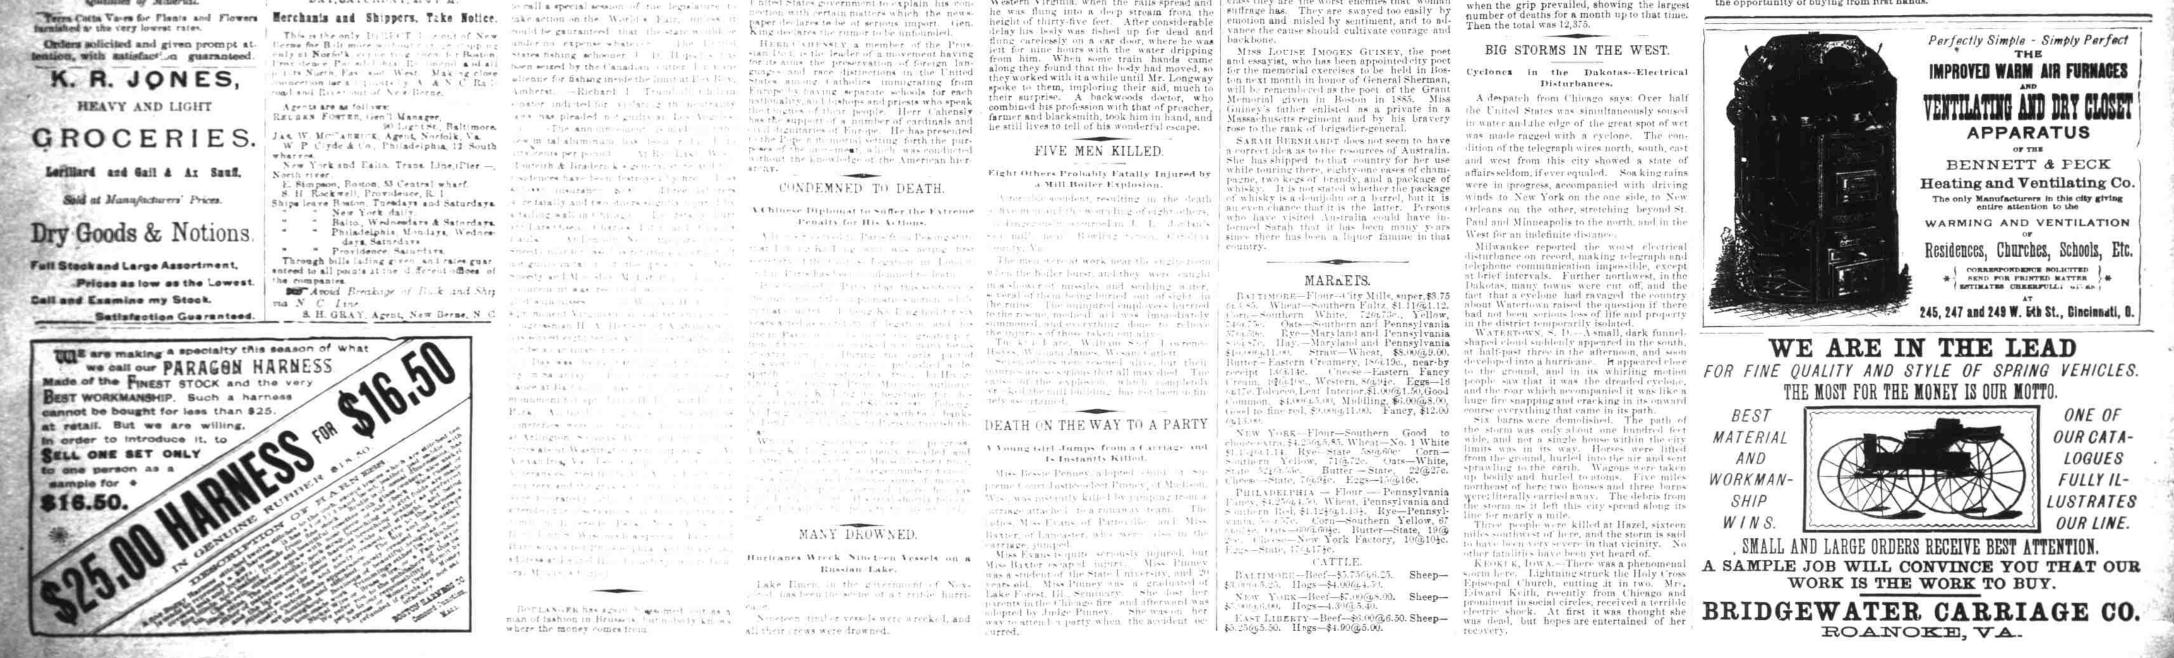

disturbance on record, making telegraph and elephone communication impossible, except it brief intervals. Further northwest, in the kotas, many towns were cut off, and the fact that a evelone had rayaged the country

The building of two large Industries upon the Property, and the completion of Trinity College ought largely to enhance the value of the lots. A SUGGESTION.

Now is the time to purchase. The lots may all be gone if you wait, and you will miss the opportunity of buying from first hands.
