LOTS 50 BY 140 FEET. The Lots are well located and are situated upon Streets 60 Feet Wide with a Rear Alley of 20 Feet. The location is admirable for Stores, Restaurants and Dwellings. Persons desiring to "buy or build," in order to educate their boys can do no better than buy one or more of these lots.

IT IS THE PURPOSE OF THE CONSOLIDATED TO OFFER, for the present only 800 OF THESE LOTS, and to guarantee that when the 800 Lots are sold, to erect upon some suitable portion of the property, sufficiently far removed from the residential portion, one modernly-built, well-equipped Cotton Factory, to cost \$100,000, and to supply the Cotton Factory with a CASH WORKING CAPITAL of \$25,000, making total outley for

For every dollar invested in West End Town Lots, adjoining the Triaity College property, the purchaser realizes 50 per cent, in First-Class Industrial Enterprises, which will enhance the value of his investment. The "CONSOLIDATED" confidently believes that the above is the most liberal and at the same time the most legitimate offer that has come before the public. In fact the offer is so liberal that we do not besitate to say that in our opinion, the opportunity will be promptly taken advantage of by those who have been waiting for the BEST, or persons desiring to secure first-class educational advantages for their Boys, on the most
