WORK AND WORKERS. THE seit-brien's strike at Peorla, Illinois, A SPEINGFIELD Illinois, despatch says, that the miners' strike in that district is at an end. All the coal shafts around Springfield have started up during the last few days upon now working under the system of day wages. Types, Expute At. Union, No. 6, York, at a special meeting, attended by over men shall hereafter work under a nonin the juris better of the Union. THE Souttern Iron Company, at Chattano-ga, made a successful test of a new steel to a n

quality.

THE strike at Lebanon, Penna, growing out of the refusal of the manufacturers to significate scale of the Amalgamated Association, is practically at an end. Several of the mills are running, many of the old hands have returned to work and others are making THE strike of the switchmen on the Lake Fale and Western Railroad is off, an amicable agreement having been reached. The men go back to work at the old rate, the company agreeing to submit a new wage scale within five days and to dismiss the suit begun in the United States Court, and also to make no discharges on account of the strike. THE compositors employed by the Reearder, No. York city, struck because of the playment of a non-Union man in his place The strike only lasted two hours, the business manager of the paper adjusting the matter by

employing a Union man is for man and signing an agreement to employ none but United RESTHERS, the shoe manufacturers, of Haverbill, Massachusetts, have discharged all the r loternational Union hands, owing to of to to arrange a new price list. The old list expired on July 1st, since which time unsuccessful edors have been made to fix upon a new o e. The firm is willing to pay nit prives, but will not grant an advance asket for by the workmen.
