That was an editor Most editors are well acqueinted in the man who takes more papers. Alice Duffy and Mrs G W. Moulton have such skill and taste in preparing and arranging specimens of the taxis.

During the year 1528 a most powerful revival occurred under the ministry of collence would be hard to surpass. Miss Alice Duffy and Mrs G W. Moulton have such skill and taste in preparing and arranging specimens of the taxis. That our national legislation of the future as half be so framed in the future as not build up one industry at the great ability and zeal of Senator.

Not editors are well acqueinted collence would be hard to surpass. Miss All land now head by railroads and shall be so framed in the future as not to build up one industry at the great ability and zeal of Senator. All land now head by railroads and other corporation in excess of their not to build up one industry at the expense of another.

Vance in the protracted contest on the taxis. The control of the taxis are well acqueinted. Ship of land should be prohibited. All land now head by railroads and other corporation in excess of their not build up one industry at the expense of another. b. We further demand a removal claimed by the government and

ANOTHER EARTHOUAKE.

Towns in California Again Shakeneral Persons Injured by Falling Walls. SAN FRANCISCO, April 21 .- A

San Francisco at 9:48 this morn-If any one will take their stand mid way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation, and look a little to the season on fruit, truck way in front of the altar, facing the congregation was all the congregation. The disturbance was felt at AGENT FOR NORTH CAROLINA. caville, Benicia, Biggs, Woodland

fall to the sidewalk. Other brick a3d1tw4t buildings were also damaged. A Report from Cateo says the Wood and from Work. lamps in buildings all over the city were set swinging. Ceilings in some places were cracked and clocks stopped.

At Winters and Vacaville, where the shocks seemed less severe than those of the first day, greater wreck was caused, because many buildings which stood the previous shak- SATISTACTION GUANANTEED ings but were rendered insecure, feil today. Among these were several strong stone buildings. At Winters several persons were hurt by falling walls. Today's distubrance reached

points not previously affected, and there are signs of a panic. SAN FRANCISCO, April 22.-A special from Vacaville says: "A number of tents arrived here from was but 17 years of age, and when sent by Governor Markham. Many Black and Clay Peas. people were afra d to pass the night in their homes and slept in were felt during the night. DIXON, Cal., April 22.-At 7:20 Hay, Grain and Feed, East Side Market
