CITY AND VICINITY.

The withdrawal of the Southern troops from the State has caused a great deal of trouble to the citizens of New Berne. The steamer "Winnipeg" was burned until she sank. A vessel which had been at anchor for a few months ago was also sunk, and her rebuilding cost \$10,000.

The members of the N. & W. Line now leave New Berne. The cars are to be sent to the South on Thursdays, Saturdays, and Sundays, Wednesdays, and Saturdays.

Rev. Henry Winfield has just returned from Broad Creek, where he conducted a service in the church. Mr. Winfield's services were well received, and were 17 conversions. This is a record.

The steamer "Sadie" made a long run between New Berne and Trenton, and was libeled Monday for semantic vagueness—the entire crew, and she is now in the hands of Captain Morris Hill.

The Headlight says the date for the speaking of Gen. Adlai E. Stevenson in Goldsboro has been changed to Saturday, September 17th. All the speakers after him will give specimens of their oration.

Another of our citizens, Mr. W. D. Boyd, has young bananas growing in his garden. It is several weeks since they first appeared, and if we have any more rain, there is a prospect that winter will chance to eat New Berne's bananas.

The evangelistic meeting at Barnes Chapel, Vanhook, began on Friday evening, September 14th. It will be conducted by Rev. J. F. Butt and the pastor of the W. Gorgans. The church is about one-half miles from New Berne, across the street's ferry.

The Third party in North Carolina is following in the footsteps of the Republicans, it may be, when it was in power. The Leavelake Gangster says that W. W. Brinson, a few days ago, is nominate to Register of Deeds a man who can neither read nor write.

As the campaign approaches, contributions to the press grow more constant. We again remind such that long articles are desired and anyone paid for them is no assurance of their being published, especially where they are not of interest to a large portion of our readers.

At a meeting of the N. & W. Line Friday night, a constitution and by-laws was adopted for the organization. They were quite liberal, but just such as all organizations should have. The next step will be the procuring of uniforms and other equipments, which are certain will no doubt assist in.

A colored man, who has been at New Berne for some time, passing by the name of Steve Kenney, was arrested last week on information from another colored man, who say he knows that he committed a murder in Georgia. He is in jail. An investigation will be held Monday at 11 a.m. before W. H. Oliver, J. P.

The Headlight editor paid a visit to the Goldsboro Manufacturing factory and found it crowded with orders from every portion of the Union and an excess of work employed to keep up with the steady, increasing trade. We are glad to hear of the success of the enterprise and we hope it will bear a similar one.

Two more mammals were shipped North last week. Mr. Heywood Tooker. One weighed 20 pounds and the other 340 pounds. The latter will be noticed across the 21st pounds being as large as the one shipped a week. While the huge loggerheads are being caught one ought to see what shells from a few of the largest are sent for the Fair.

The approaching campaign is the most important one in which we have seen the JOURNAL in every section where the people can keep up with the news more in this great political struggle, and offer reduced rates to all new subscribers now until after election. These reduced rates are to be paid in advance of 1862 to both the Daily and Weekly.

The Turbore Southerner says that a Weaver flag was raised at Knight's Station on the N. & C. railroad in Robeson county but it did not remain to show the scarcity of the three parties in the neighborhood notwithstanding the raising of the pole at all times. If so, in township were stood one upon the top of the pole would suffice.

A telegram was received here yesterday announcing the sudden death of Mr. M. A. Griffin, the previous agent of Mr. Griffin was the best known citizen of Pitt County and was the principal local steam transportation agent in that part of North Carolina. He was a son and several children. He was the son of Mr. Moses Griffin, the son of whom founded the Griffin Fire Engine Company.

Rev. J. W. Lee passed away this day night on route to New Bern. His head, where he is to be buried, was to be used for meetings during the present. His remains will be sent to the eastern shore of the Atlantic Ocean. The steamer "Winnipeg" will be used for the purpose of bringing his remains back to New Bern. As far as we know, he wants the services of the Episcopal Church, and the services of the Rev. Mr. Black, of New Bern, to be used. We have served him in the Episcopalian church of his native town.
