EDITORIAL NOTES.

WHATEVER you may do stand by your State and its rights.

THE election of Carr is an absolute necessity.

THE Peoples party is honest. You just as honest as Saul was when he persecuted the Saints.

In a game of base ball at Lenoir, Pa., Saturday, the man at the bat was struck by the ball and killed.

THE Virginia courts have appointed receivers of the Iron Hill, to take charge of the order's assets in the State.

THE Peoples party was joining the Peoples party as an experiment. Remaining in it at the South is a crime.

WITH every passing day come evidence of the fact that North Carolina will hold her place in the Democratic column.

MR. HARRISON and Mr. Platt do not appear to have reached an understanding as to which of them Mahomet and which is the moon.

THE Democratic party is a anti-force bill and anti-monopoly party, and yet it is nobody's aunty. It is the mother of prosperity and happiness.

IT has been said that North Carolina is a doubtful State. If this be true, the fact will only stimulate the Democrats to be more determined to carry it.

NO, we don't favor reciprocity with Canada much. In that change in which we got a Smith for a barrel of spout herring we got badly worsted.

THE success of the Peoples party in State and nation would mean revolution, and if history teaches anything, a peaceful revolution in this country is impossible.

A FRIEND in the country says this is a regular time pinally campaign. The Third party canvassers set up the pins and the Democrats knock them down.

THE story in circulation that Mrs. Jackson, of immortal fame, signs her name on hotel registers, "Mrs. Stone-wall Jackson" is not true. She is a modest, retiring woman.

THE Wes. Dem. Democratic campaign fund of the New York World amounted to \$21,849.93 on Sunday morning. The World has now ninety-five newspaper allies for the cause.

THE honeymoon has warned when the bride stops telling things and begins to ask questions. The Third party's honeymoon is over and every man of them is asking, "Where was I at, and where am I?"

THE Hickory Democratic Club has opened a free reading room where a first class assortment of Democratic literature is kept. This is a move in the right direction and may well be followed by clubs in other sections.

EVERY indication points to the triumph of the Democracy in the State and in the Nation. Harrison is "bothered." His platform is discredited and the force bill, he has diagnosed those maladies and knows that one is cholera and the other small pox. Either would kill him, and how to avoid them is the question.

WE have heard it said that the present county officers of Craven are the best in the State. Not only are they efficient in the discharge of their duties, but they are gentlemen. If we wished to give a stranger a favorable opinion of our community we could not do better than to carry him to the court house and introduce him to the county officials.

STAND up for Elias Carr, for he is standing up to you. When he was nominated he was not considered much of a speaker. His nomination was chiefly a compliment to the farmers of the State. But, he is now leading the campaign, and whether on the platform with Ransom or Jarvis, he proves himself every inch a man.

THEY say that we attack the Peoples party more than we do the Republican. Well, the truth is, the platform and principles of the Peoples party are more revolutionary than those of the Republican party and its candidates are objectionable men in politics than Weaver, unless it be Eum the Peoples party's candidate for Governor.

IT is said that in Alabama the Republicans have made a proposition to the Klobbies to have named by the Klobbies appointed supervisors of elections. The scheme of the Republicans is to capture the State for Weaver, thus causing a loss of Alabama's electoral votes to the Democracy. The Klobbies and Republicans may join forces, but the Democratic electoral ticket will be elected.

FARTIES IN CRAVEN.

The political campaign is being inaugurated in Craven. The Democrats were first in the field, then came the Peoples party and lastly the Republican convention of the 1st instant.

The Democratic party endorsed the nominations of the Democratic National and State tickets, and stands for the present political status in North Carolina, and change in the National administration.

This as it stands in North Carolina has prospered under Democratic administration, and Craven is doing as well as the hands of the Democracy.
