The old and reliable firm of Cohn & Weise was established in Newbern in 1852. The oldest house now in the city and the only surviving member of which is Adolph Cohn who has been engaged in the Music business for the past ten years and is now located on Middle St. I would be pleased to inform my friends, patrons and the public generally that I have secured the large and elegant brick building formerly occupied by John Patterson, deceased, where I have ample accommodations for properly conducting my large and increasing business, and will constantly keep on hand BEST ROAD CARTS Upright and Square Pianos of the latest designs, lasting tone, superior workmanship and of leading manufacturers and the best material. Also a good supply of SHEET MUSIC.

And I will endeavor to make my business as popular as the old firm used to be, and one that will give satisfact on to my numerous patrons.
