EDITORIAL NOTES.

Secretary of the State, Hon. J. H. Hoke, has
just issued a special order of the day.

Judge Street has issued a temporary
order of the day, restraining the
execution of the day, from closing
the World's Fair grounds.

Kansas' Populist is the official
organ of the Populist party in
that State, and was sent out from
Albany, N. Y.

And now it is discovered that
Mrs. J. H. Hoke, at Hazleton,
Pa., has written a paper on a dead
child. She is a woman.

A long-winded good deal like
the above, is a sewing machine
which is a good deal like the
above, is a sewing machine.

The Tribune, regarding private
beams, reads to the New York
ball in a carriage from a very stable.
Another case of triumphant democracy.

A married Catholic woman at
tending the World's Fair Congress
formed a National Federation on
the part of the Woman's Christian
Temperance Union.

The Canadian Parliament has
restored the census law. It will
ring at 9 o'clock at night and then
all boys under 17 caught in the
streets will be locked up.

Unprecedented heavy rain
storms prevailed throughout
Tennessee, Mississippi, Arkansas
and Louisiana Saturday and Sun-
day, and the whole country is
flooded.

An uneasy contemporary com-
plains that there are too many
"for rent" signs in Memphis.
That only indicates that the former
residents have moved into better
houses.—Memphis Commercial.

The Quittman Free Press observes
that the breaking of so many
banks doesn't worry the Georgia
quid drivers. They continue to
keep their surplus in the hands of
delinquent subscribers.

The frequent mention of Gov.
Penney as the next Populist
candidate for President will
press Gen. Weaver that he must
come to the front with some new
felly or lose party prestige.

J. A. Hurrell, of Winston, ap-
plicant for the position of Government
printer is again in Washington.
He has filed 900 letters and 16,000
endorsements. He thinks he has
made an impression on the Presi-
dent.

The floods in the Mississippi
river that have played such havoc
have been looked for. The
destruction and suffering are
indeed most awful. The homeless
and hungry are to be counted by
the thousands and help must be
sent.

Colorado is going to cover the
dome of its new State house with
a coating of silver. Whenever we
get to using silver for roofing
purposes we have gone a long way
towards solving the silver question.
All we need then is a house to
cover.

All of the American foreign
Missionary Societies are expecting
retaliation on the part of the
Chinese and that their missionaries
will all be expelled. They can not
expect less. China will do as this
country is doing if it drives out
every merchant—every American.

Not far from Oak Bar, Ore., a
woman lately made a heroine of
herself with her little gun in front
of a child-seeking panther that her
dog had treed. On hearing the
growling and the row, she dropped
her stitches, picked up a rifle, took
a good aim, and at the first fire
brought down the brute.

While Englishmen who are
brought beyond comparison are
boasting, jeering, insulting and
maliciously abusing the venerable
Gladiators and the old soldiers of
the Irish, the few Irishmen who
remain in the United States are
the most earnest and patriotic
of the globe—the most good Irish-
men that in your pipe and smoke
it.—Messenger.

The electoral canvass proceeds
quietly in France, and without un-
usual portents or signs of a
war, and the French people are
well satisfied with the result. In
France, the election is not a
political contest, but a national
festival, and the French people are
well satisfied with the result.

After the Davis funeral train
left Montgomery the way-side
tributes began. At every station
where the train stopped there were
great crowds of men, women and
children, and many cavalry
companies and artillery squadrons
the train. At many stations by which
the train swept rapidly the people
were drawn up in line to pay tri-
butes of respect. At one point
about 100 old soldiers armed with
shot guns and rifles were drawn up
and as the train sped by they fired
a salute.

POISONED ARROWS.

Poisoned arrows are being shot
at the South, but we will not fire
back. We belong to a higher
civilization and a nobler race.

These arrows come from the
North, the East and the West, and
they will do nothing to remain
under the protecting shield of the
Union.

It is useless to say that the
Government is not responsible for
the actions of the South. The
Government is not responsible for
