MARY T. LATHROP. ____ March the feet of a million men. ener

The young, the strong, the old are then In word ranks they harry past. What is the fate that comes at last,

Out of boyhood so pure and falls Soon forgetting the joys of home— Slighting a mother's love and prayer. Reason dethroned and soul gone will itserty toying age. Home tute for Tramp, tramp, tramp, till a drunkard. Hides the wreck of a life of shame

And souls whom Jesus died to save Meet with a future we dare not many ied help us all the cross to bear. And work to rescue the neighty throng considerable length of time, except God give us courage till toil and prayer End in the victors joyful song.

must go down and political and religions liberty must go up. This has been the teudency of this century, and there are no teasons to believe that the next century will stride backwards.

The destructive forces of society will aim to abolish all governments but the wisdom of the world is with the conservative minds, so that the final outcome will leave mankind in an advanced position. It may require the greater part of the next century to regulate the disturbances engendered during the last years of the present century, but the tending of the world's Bride (with hubby)—Y-o-a
