EDITORIAL NOTES.
There were 51,000,000 copies of the Constitution printed in 1902. A Tennessee man, who is a native and home-bred man, has a great many suggestions for the improvement of the Constitution. The gold reserve for the year 1902 amounts to \$47,000,000.

THE TARIFF.
We are sometimes told that the people are tired of hearing and reading about the tariff. It is not true, it is greatly to be regretted, that there is no question that more immediately concerns the welfare of the people.

OUR COUNTRY'S DEARTH.
Scarcely a day passes in which we do not hear some breaker talk about the dearth of our country. Think how a war would affect the light that is shed on the country.
