Op the 12th of March twentynine years ago, says the Fayetteville Observer, the old Observer ice, whose rulns still face the Hotel Lafayette, was burned, and its walls battered down, by order of General Sherman. Meanwhile, this leader sat upon the hotel verandah, across the way, hobnobbing with his officers over wine captured from the late editor's cellar. General Sherman's order, its execution thus supervised, was carried out by Corps commander General

fellow-man approach you, not only with civility, out that true courtesy and gentility also that is charceeds in life, and that even when persons of ability fail. In ly a prejudice against him. To men, civility is, in fact, what a pleasing ment rudeness; whereas men of men who prefer the loaves of of inferior abilities have frequently office to sound political principeded by their agreeable and ples. leasing manners. Of two men as one has twice the advantage and by far the, better opportunity for making his way in the world.

Chemically, the apple is comosed of vegetable fiber, albumen, gur, gum, chlorophyl, malic acid lic acid, lime, and much water. orthermore, says the Southern Clintic, the German analysts says the apple contains a larger percentage of phosphorus than any phorus is admirably adapted for renewing the essential nervous matter, lecithin, of the brain and spinal cord. It is, perhaps, for the same reason, rudely understood that old Scandinavian traditions sent the apple the food of the gods, who, when they felt themselves to be growing feeble and infirm respected to this fruit for renewing beir powers of mind and body Also, the acids of the apple are of iscal use for men of sedentary abits, whose livers are sluggish in action, those acids serving to eliminate from the body noxious matter, which if retained, would make the brain heavy and dull, or bring about jaundice or skin eruptions and other alliedtroubles. Some such an experience must have led to our costom of taking apple sauce with roast pork, rich goose, and like hes. The malic acid of ripe aples, either raw or cooked, will neuize any excess of chalky matter dered by eating too much neat. It is also the fact that such and without suger, diminish acidity the purpose. in the stomach, rather than provoke it. Their vegetable sauces and juices are converted into alkaline car-

the Demecratic party." try beleve that he has given the cation of the long tried, safe, brad true reasons that induced him to measured principles held by the leave the Democratic party and Democratic party, become a Republican.

How grand it is to have your pointment from the same apostles indestractible and eternal. of, mugwumpery, Cleveland and Gresham, whom he now denounces; but before getting off from this land of the free and home of the ble dirposition. Civility is a fortune brave for the Celeatial Empire, actors in the stirring days of "G1in itself, for a courteous man often certain irregularities of life and blemishes of character became known to the President and the being introduced to a stranger, his appointment was withdrawn. affability, or the reverse, creates Every man who has seen his bud instantaneously a proposition in of promise suddenly wither, as if his favor, or awakens unconscious. smitten by an untimely frost, will sympathize with Col. Hoge, while at the same time the country sarance is to women; it is a will sustain the President ral passport to favor—a letter and his Secretary in recalling the appointment of the high language that every person under- mettled Virginian. It is fortunate stands the best of men have often that the Democratic party can sursjured themselves by irritably and vive the withdrawal from its ranks

The assertion that the Demoqual in all other respects, the courmugwumpers composed of Mr. Cleveland in front, Walter Q. Gresham in the middle and Wayne McVeigh holding the tail," is not true.

Without admitting the charge of "mugwampery," we take occasion to observe that however great these distinguished men may be, or however honorable the positions they hold, they are no more the Democratic party than a drop of water is the ocean:

ple who regard the Constitution as the corner stone of their political edifice, and the Uhicago platform as their party creed.

The Democratic party of today s not recreant to its sacred

The evils that afflict the country are not of Democratic origin. They are the direct result of Republican rule, and whatever hinderance there is to their removal comes from the Republican party.

Without stopping to consider how far present officials have wandered from Democratic standards, we content ourselves with the broad declaration that the Democratic party does not owe allegiance to leaders, but, on the contrary, leaders owe allegiance 'o the party. Leaders may be changed, but principles are enternal.
