WA HINGTON LOTT R.

Hill in New York-Deputy sioner of Internal Revenue-Sc. ator Faulkner - An Honor for a Salem Man.

A Tammany chief says "New York will give David B. Hill a majordy of 50,000. He has never been detected for and the strength of the wolf is the best organizers in this country. The Democracy of the Empire State is on he The republican departy commissioner of aternal revenue, Mr. Wilson is to be re-

noved to make room for a democrator in Alabama named Woods, Mr. Woods is the competitor for the seat in Congress from Alabama against Gaston Robbins, a nephew of Hon. Wm. L. Robbins of our state. It was thought by some of the North Carolinians in this city that this dace would be given to the Hon. Kope Elias and there is some disappointment felt that a North Carolinian does not get

Senator Faulkner, Chairman of the ongressional campaign committee, is ery much encouraged at the advice he eceives from every part of the country. He believes Mr. Cleveland with his usual patriotic fidelity to the party will lend his influence to secure the success of the gubernatorial ticket in New York. It is Imitted here that the Hon. Levi P. Morton is the strongest possible candi-The lair of the wolf is his refuge, and date the Republicans could have nominated. Socially and floancially and politically be is admitted by both friends nd foes to be very strong. Dr. E. A Deschweinitz of Silem, the professor of chemistry in the medical

beliver the address on the opening of the school on Oct. 1. The chief topic of conversation here the recapture in New York of Capt. Howgate the embezzling executive officer the Signal Corps after thirteen years of successful hiding. It has always been said here that it would have been no difficult matter to find him but that there was little lesire to do so on account of unpleasant

developments concerning prominent per-Drummond, the Republican ex chief of the secret service, who finally effected the capture has been professedly working of the case for years. Last year he was a ke o resign in favor of a democrat but beged to be retaine I on account of his proble early success in finding the defaulter. seemed, however, that he was going to use this argument for retention indefinite y, and he was displaced last February When his successor took charge to hat all the Howgate papers were missi and Mr. Drummond will be called on xplain why he did not leave the pers on file. Howgate will probably rought here from N. Y. on Monday. President Taylor of Wake Forest Co eze stopped in the city this week to see his son, who is living here. He was a
