## What is CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrup, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays Fevers. Castoria prevents vomiting Sour Curd, cures Diarrhoea and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

### Castoria

Castoria is an excellent medicine for children. It is superior to any other medicine known to man. It is a safe and reliable remedy for all the ailments of childhood. It is pleasant to the taste and does not produce any harmful effects. It is a household necessity for every family with children.

The E. E. S. & A. MEADOWS CO.

## Do not procrastinate

Do not procrastinate when you need anything in our line. There's no use waiting, some people wait too long for everything. Do not be one of that kind. If you need a pair of shoes do not procrastinate until the sole is all gone, if you need a suit do not wait until your old one is ready, if you owe a bill do not wait until time runs up the profit.

### OUR STATE VS. NORTHWEST.

A Letter From an Intended Immigrant Farmer.

The striking contrast in crop results there and here—let our people read and be glad that their lot was cast in such a productive and richly watered North Carolina.

### ACCIDENTALLY KILLED.

A Negro Boy Caught in Mill Machinery and Whirled to Death.

A negro boy about fourteen years of age was accidentally killed at the Blakes mill, near New Berne, by having a long coat which he had on caught in the shafting. The boy was whirled around rapidly, killed and buried in the machinery.

### WELL'S SOURCE OF DISEASE.

A Convincing and Striking Example—Illustrations from a Successor of the Only Safe Supply.

It will be remembered that when the water works were about to be constructed and the source of supply was being considered we took the position that if the right kind of water could be obtained from bored wells, extended into the rock with which New Berne and the country around is unexcelled, that the supply should be obtained, in our belief, from a well of this kind.

### THE ADVANCE IN COTTON.

To Be Regretted Just at This Time, on Account of Its Tendency to Increase the Acreage.

Mr. J. N. Fosse, of Pollockville, one of the most prominent farmers of Jones county is in the city Thursday. Speaking of the present advance in the price of cotton, he thinks it a bad thing because it will make an increase in the acreage that it was intended to plant. But for the advance he thinks there would have been a fall-off of about fifty per cent, around this year.

### NEWS IN BRIEF.

Arrests of package stagers counterfeited have been made in the city.

The steamer *Clatsop* of the Calz, with 500 troops on board, arrived at Havana Thursday.

### Seeking Truck Shipments.

Mr. C. L. Lammont, representing the commission house of Messrs. F. S. Gibson & Co., of Philadelphia, for which Mr. B. B. Davenport is the New Berne representative, is in the city canvassing specially for truck shipments. It is recalled that the Alberts is also Mr. J. B. Green, representing the commission house of Mr. Wm. Enroy, of Philadelphia, and Mr. W. H. Brown, of New York, is also known commission merchants.

### A Woman's Burden.

She is lightened when she turns to the right medicine. If her existence is made gloomy by the chronic weaknesses, derange-ments, and painful disorders that afflict her sex, she will find relief and comfort in the use of Dr. Pierce's Female Purifier. It is a powerful, invigorating tonic and nerve tonic, and is used and used by an eminent physician for the relief of all the various "female complaints" and weaknesses. For young girls just entering womanhood; for women at the critical "change of life"; for barrenness, nervousness, painful menstruation, inflammation and every kind of ailment, if it ever fails to cure, you have your money back.

## COTTON For Guano.

I have a limited supply of Cotton Guano that I will sell

### A TON FOR A FOUR HUNDRED POUND BALE OF COTTON.

The cotton to be delivered on or before November 1st, 1895.

### FOR INVESTORS.

Is the Place for Them to Obtain the Best Results.

EXEMPTION OF ADVANTAGES.

Wild and Even Climate—Growing Population—Excellent Government—Low Taxes—Abundant Raw Manufacturing Material—Cheap Fuel—Transportation Facilities—First Class Living at Small Cost, and a Warm Welcome to New Comers.

### LOCATIONS AND CLIMATE.

New Berne, North Carolina, the county seat of Craven county, lies at the confluence of Neuse and Trent rivers. The climate is one of the most equable in the South, and many people from the East and West now spend their winters here instead of further south, as the climate is mild without being overbearing. There is just a moderate amount of frost here, and a great deal more than in the South. Consequently, every manufacturer or tradesman in New Berne has a decided advantage over people who are located in the South, where the winter is so long and so severe.

### INTERNAL IMPROVEMENTS AND PUBLIC UTILITIES.

New Berne is abreast of the times in improvements.

She has superior Water Works and Sewerage, Electric and Gas lights, steam engines, a large proportion of business stores and residences, well shaded, and an excellent system of public and private schools is maintained.

### CITY AFFAIRS AND MANAGEMENT.

When an inventory of the city real and personal property is taken it is found that she is entirely free of debt, with exception of a \$10,000 bonded debt recently contracted to build a railroad. She meets all obligations with ease and has a high credit rating.

### NEW FACTORIES AT WELDON.

A \$500,000 Cotton Mill and Knitting Mill in Course of Erection.

The Charlotte Observer has a column article on Weldon, its resources and prospects. As the cotton mill business is a topic of special interest in New Berne at this time we clip the portion of the article which is of interest to our readers.

### THE COUNTRY CONTIGUOUS TO NEW BERNE.

Counting the whole of the county, the aggregate is about 25,000 New Berne per acre, the aggregate is about 25,000 New Berne per acre, the aggregate is about 25,000 New Berne per acre.

### LIVING EXPENSES.

Vegetable Market.—The climate is such about New Berne that two to four bushels of potatoes, and other market crops, fruit and berries, are shipped annually to New York and other large cities.

### UNIVERSITY SUMMER SCHOOL.

The Summer School at Chapel Hill has just closed. It was a most successful session, and well attended. University education, as well as to teachers and those preparing to teach, in English Literature, University professors, in English Literature, University professors, in English Literature.

### KINSTON'S GRIEVOUS PLIGHT.

Further Attempts at Invidiousism.

Large Rewards Offered for Their Detection—Negroes Seized in the Act, and Freed at a White Man's Struggle—An Arrest.

### TO THE SPOT THIS IS THE SPOT.

And Are OVERJOYED!

### MEMORIAL DAY.

Preparations for the 30th of May—The Address Subject, etc.

Practice for the music on Confederate Memorial Day (the 10th of May) has been begun. The exercises, as usual, are in charge of the Ladies Memorial Association.

### CONGRESSIONAL CONTESTED ELECTION CASE.

Based on Flimsy Evidence.

Testimony was taken Thursday at the office of H. L. Gibbs, Esq., Notary Public, in the contested election case in which Dr. Cyrus Thompson, Populist, contests the election of Hon. John H. Siler, Democrat, to the 54th Congress from this district.

### BACK FROM BAYLOR.

Rev. L. A. Nash, D. D., and Messrs. Marvin Nash and B. G. Credle returned from Baylor Thursday.

The revival at Baylor has been in progress a couple of weeks, there is considerable interest and conversions are resulting.

### PROTRACTED MEETING AT BAYLOR.

A correspondent writes us as follows: "Revs. Messrs. Jones and Kelly, the Baylors, are here, and are conducting a protracted meeting at Baylor. They were able last night, 16th, to draw a new Berne, who preached a fine sermon. New Berne will feel proud of such a man as Dr. Nash.

### CONDITION OF TRUCK.

Mr. W. F. Crockett, one of our leading truckmen, being in the Jones case, informs us that the cool spell has retarded the growth of truck a little, but it is not a matter of great concern. The truck crop is well along, and will be ready to ship in a few days.

### COLORED SALVATION ARMY.

From the columns of the *Amnon Progress*, we clip the following item: "The colored members of the Salvation Army, who have been in the city since last Saturday and Sunday, are well known here, and are doing a noble work. They have held many of our people's souls to Godly paths on Sunday.
