CASTORIA

for Infants and Children.
MOTHERS, Do You Know that Castoria is the most reliable and safe medicine for infants and children. It is a purely vegetable preparation, and that a list of its ingredients is published with every bottle.
Do You Know that Castoria is the prescription of the famous Dr. Samuel Picher. This has been in use for nearly thirty years, and that more Castoria is now sold than of all other cathartics for children combined.
Do You Know that the Patent Office Department of the United States, and of other countries, have been conclusive in their decisions to give to "Castoria" and its formula, and that to imitate them is a state prison offense?
Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?
Do You Know that 35 average doses of Castoria are furnished for 25 cents, or less than a dime?
Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?
Well, these things are worth knowing. They are facts.

"NUNN & MCSORLEY"

THE HIGH TIDE ON THE COAST OF LINCOLNSHIRE.

By JEAN INGELWIS.
Miss Ingelwis is an English poet, born in Ipswich, and is now about fifty years old. She has written some interesting literary history, and a volume of poems. The one given here is the most popular of all her writings. It is much admired as a recitation. The old mayor climbed the bell tower. The fingers rang by two, by three. "Pull, you men, pull your best!" quoth he. "Play up, play up, O Boston Bell! Play up your change, all your swells. Play up, the Brides of Emberly."
