GUILTY OF NOT GUILTY.

Was stamped on her pale young face,

1- Mary Mediuire, if you please, sir."

Well, Mary," and then from a paper

You are charged here -1 am sorry to say

With straling three loaves of bread.

The charge to be false. Now, tell me,

but she drived her eyes in a moment.

I will tell you just how it was, sir,

Were hungry and asked me for lucad

My Lither and mother arelicead,

And my little brother and sisters,

I could get no more employment

Grav-beard and thoughtless youth-

That the prisoner spake the truth,

Out from their eyes sprung tears.

And out from their faded wallets

Treasures hoarded for years.

The judge's face was a study-

The strangest you ever saw,

Sows in dealing with men.

the semical on a simple question,

1-, for the present, deferred,

Himself, the "guilty" child,

Hat his

He no one blamed him or wondered.

The sentence of this young prisoner

and no one blamed him or wondered

When he went to her and snilled.

And tenderly led from the court-room,

Rholesale Marger Country Produc-

When at last these words they heard

a gely puzzled just then,

Som thing about the law,

Out from their pockets came kerchiefs,

As he cleared his throat and inurmured

Knew, as he looked upon her.

And looked in the judge's eye.

a shoul at the bar of justice.

A greature wan and wild,

form too small for a woman.

In features too old for a child

for a look so worn and pathetic

It soon od long years of suffering Must have left that silent trace.

With Kind v look vet keen.

He slowly and gravely read

not look not like an offender.

And hope you can show

Are you guilty of this or not

massionate burst of weeping
