SENATOR MILLS RED "07 CUBAN RESOLUTION.

Dingley Bill. A. Silm Claim. Soul Bokein's Election. Eckeis Pinanctal Cure Play For Bigger

Things, Other News. WASHINGTON, D. C., Dec. 11th.) Senator Allen expleded a bomb tha shook the Senate from center to circum ference when he moved that the Dingley bill be taken up, and the motion was ca. ried by a vote of 35 to 21. The vote in favor of the motion was made up of 2-Republicans, 6 Democrats, 5 Populisi and Senator Pettigrew who is now classes. as an independent; and the vote agains it of 2 Republicans, 16 Democrats and independent, Cannon, Dubois and Mantle Senator Allen said he made the motion without consultation with anybody and solely to show that the Populist Sens tors were not standing in the way o revenue legislation. In repty to question from Senator Aldrich Mr. Allen said tha while he would not vote for the Dingley bill as it passed the riouse, it could easi be put in a shape that would get his votand that of other Senators who are no Republicans, but ue didn't mention wh. that shape was. The Dingley bill was to fore the Senate less than 30 minutes, who the expiration of the "morning hour sent it back to the calendar, Mr .xi having lailed to get unnulmous course for it to be the "unumbue", business" the new day, as can be said in print a thme oy a majority vote, out as me onnow, owing to the action of the Sec. at the last session, a billior ... colunge or sliver instead of a revebill, its passage in that shape would merely dupiteating the work of the

Several Cuma resolutions providing recognition of ladependence; more offered an both trouse and Senate. Senator Muis, of Texas, is entitled to . belt, and it paget to be a smoot-red or for maxing put the hottest scall incoresolution that the oldest capitol have. remembers. His resolution directs to President to take immediate and forcio possession of Cuba, and to protect .. Cuosas until such there as they shall o ganize a government of their own. facetions Senator was aiready suggested that Senator Milis be the commander of

the army of occupation. Mr. George E. Nelson, who took t. trouble to travel all the way from lada. Territory to Washington, with no bestclaim for a seat in the House as Territo rial Delegate than a certificate of election signed by an Indian Agent and b. own statement that he received 200 oc about 800 votes in an election hel-November 3d at several villages of the Territory, finds that members of t House not only fail to recognize the i gality of his claim, but are also inchuto poke fun at him.

Senator Kyle, of South Dakota, pr. esses autonisument at the stories that to canvassing board of that State was atato throw out, on account of alleg fraud at the esection, enough votes give the state, and possibly the Legisture, to the sepublicans. He said Every one out there thought the cartion was conducted in the fairest Killer a way, I did not hear it challenged o any side. I scarcely think the boarwould attempt to throw out enoug. members of the Legislature to turn i over to the Republicans. It would be high-handed outrage if it did, and would cause an uprising in South Dakota I can do nothing but watch the course of events, but our men are on the ground all the time, and will bitterly conlest any scheme to defraud us of our righta". Republicans are not talking for publication about this matter, but enough cas said at their caucus of Senators to ndicate that some of them expected a Republican to succeed Senator Kyle whose term expires on the 3d of next

Comptroller Eckels has a plan which he says in his annual report he is certain would go far towards curing our financial ille. The foundation of his plans is a decrease the tax on National bank circu lation and encourage the formation banks of \$30,000 capital to small tow and villages and to allow them to test. currency to the race of the counts int have deposited with me L. o. Freasur Neitner Senators not representanthave been failing over each older in the efforts to get the plan of Air. Eckels before Congress, and there isn't the silghest likelihood or metr doing so.

The House, as usual, is alread of the Senate in the matter of doing business It has passed the regular Pension approprinting bull and a number of minor meas-

The boiting suver Republican Senator were playing for bigger stakes than to forgiveness of their old party associate when they ignored the invitations se. them to attenu the Republican caucus They figure it that by maintaining an independent attitude they can dictate legislation in the next Senate, unless the Republicans happen to get a majority. and demand control of the Federal patronage of their States as well.

The only man who has mentioned the President's message in Congress is Rep resentative Grow, of Pennsylvania, who in a few remarks ridiculed Mr. Cleve. fand's assertion that the present tariff law, if let alone, will produce all the rev-ense that the country needs. It seems that Mr. Cleveland has changed his opincovering the National campaign and elecions since he called that tariff bill horrid tions, for names and refused to sign it.
