part now.

Trying a New Horse

The officers of the Atlantic Fire Company had a big bay horse from J. W. Stewart's stables out for trial vesterday, hitched to the hose wagon The horse was given a run of two hundred yards, which he made in 10 seconds, pulling 3,500 pounds. The horse weighs 1,400 pounds, and seems in excellent shape every w. and some of the boys regard him is just the horse for the fire service.
