TRAJL CONDITIONS.

The Past Week's Prices. Frol able Course of Markets.

Coffee Still a Purchase. Farm Pro ducts Generally Firm. Stock Market Better. Industrials l'asafe.

Boston, March 25-Everything has been fairly satisfactory during the past week and conditions have generally shown a slight improvement in almos all branches of trade

IN RETAIL TRADE.

Those who bought sugar at the time of our last letter are glad to have been in time to made a good big-profit on the basis of present prices. The row over coffee prices still continues and good grades of coffee may be picked up far

FOR FARLERS.

The strong price of winter whea is due to natural causes. It comes from the Barley heavy demand of the millers of Ken tucky, Ten: es:ee. Missouri and other States for winter wheat. Now that they cannot get what they want they will naturally call for sprin; wheat and this change will tend to put up spring prices. as the millers in the winter wheat district begin to use up the supplies of spring wheat.

As we indicated, egg prices are going

ago, of a striking improvement in the prices of lard and other bog products smith but-

The internal revenue feature of the tariff bill is still held back and the Wayand Means committee is still divided on on the question of taking the tax from "American alcohol used in the arts." A long ago were it not for the fact that, who sive a long or comparate and will soon as final helders had disposed taking the tax from American alcoho will publish make a market for 40,000, 000 bushels of corn.

The quotations on provisions just now Yas Francisco are good, as a rule, and those who have held on to hog products under our ad vise, can now make a good profit by sell hay can get its own price now; and no issert 1 to ne damage was done. If you saved your hides in February here is next tries a menumenta among agridicant part, we think this deman
