DEATH AHEAD.

Klondike Miners Throw Away Their Packs and Rush for the Mines.

Washington, August 16,-William J. ones, United States Commissioner to Alaska, assigned to St. Michaels, just sent The Negro Brodie Sentenced to the Interior Department the following report on the gold, in a letter dated at Dyea, Alaska, August 4th

"There are nearly 1,800 people in Dyea and Skagaway routes and both trails are blocked.

"Great distress, hardship and suffering and possible death from hunger and exposure is sure to follow this winter, an opinion that is entertained by all old Alaska prospectors, who have visited that part of the world in late years.
