"Nobady ever expected that flussell would be able to find any evilines entirond in the matter of the 90

Who that knows them would for au instant believe that Sydenham B. Mexamber and W. C. Maywell, of our county; Lee S. Overman and men of their integraty and honor, such as the other directors are known to be, had been guilty of frand in execution of a public duty Without touching the question of the expediency of making the 93 year lease, we want to say most omphatically that Russell's trumped or charges of trand against these menwho are a thousand times la superiors as men and citizens, is the across rot, entered upon for politi cal effect only. We resolve with other good citizens that he has atterly failed to find any evidence of fraud

In the hearing just adjourned at Salisbury na evidence of any crook edness was found. It was sought to make capital out of the fact that the directors expended \$2,000 to prevent the passage of certain legis lation in legislature of 4855 that beave been the case, as the lease has not been made when the legislature of 1855 adjourned, The write knows that no question of this kind was before the legislature

How very different this question appears to the North Adec, or, whill under its editoral. "It looks like Legal Frand," say-

Unless all signs fail the investigation before Hon, Kerr Craige wishows that the lease of the North 'arotina Kulpoad was procured to franchilent representations much ! the Southern Bailway Compato The directors, he we stated at the time, were actuated by threats t destroy the value of the propert and by other representations wit as little foundation.

The people of North Cardin were anxione for mave thus least which they believe was procured by leval frault, investigated in the or derly legal methods. If this corrhad been pursued, there would but been a general acceptance of the repeople. But, when at the instanof the Southern Bulway, aminimum tion was issued to take the metrinto the hands of the Federal court there was universal indignation The people have learned to distribe the Federal courts because so man of the Judges owe their appoint ment to corporation influence, and because some of them have prostituted their positions to serve their

Even where they trust the Federal courts the people have learned from bitter experience that 'government by injunction" is a new and highly dangerous form of oppression by legality of the lease, the question of Surely not. fraud, and the power of the directors. If this was done how very differby State courts. No Federal question was involved. The orderly protion was involved. The orderly protoss was to let the State courts pass
upon these questions. But this did
