Official Paper of Craven County, N. C.

Section Two, Friday, March 11, 1898

From a report from New Bern, N. C., dated March 10, 1898, it is fully expected that the people of the North will be able to justify the Government's policy...

PAST THE BUFFING POINT.

The Government's policy in the matter of the Maine is a question of the North's ability to justify the Government's policy...

Spain's policy in the matter of the Maine is a question of the North's ability to justify the Government's policy...

While the North's policy in the matter of the Maine is a question of the North's ability to justify the Government's policy...

And when the Maine is a question of the North's ability to justify the Government's policy...

While the North's policy in the matter of the Maine is a question of the North's ability to justify the Government's policy...

And when the Maine is a question of the North's ability to justify the Government's policy...

SIMPLY A POLITICAL FOOTBALL

The North's policy in the matter of the Maine is a question of the North's ability to justify the Government's policy...

This protest is well made, but the outcome is rather overdone the matter when it comes to the Southern Railway...

Very happy is Carran's reply to his pompous antagonist in debate who had loftily asserted that he was the guardian of his own honor...
