Reply from Madrid by the Spanish

Ministry to the President's

Ultimatum, Declaration of

War Expected. General

Lee Has Been Warned

by the President.

The Diplomatic situation
was now so critical that
nothing indicates that the
dice is cast.

The Ultimatum presented to Spain to Free
Cuba or fight has apparently brought the
veto of war. Spain takes up the gauntlet and accepts war.

The greatest uprising
the world has ever seen
will take place in America
in the defense of Spain.

It was virtually a unanimous
vote to determine whether peace or war
should be maintained or the moment
decided upon.

It is not North or
South or East or West.
