When Admiral Cervera was taken on
board the American warship, a captain
is believed to have preferred to take
the chances on the open sea and go

GIVING CREDIT
A good story is being told in the
burgh about the discharge of a man
who was arrested for about a year
for existing his position because of
his fear of the charge of plagiarism.
He surprised his congregation not only
by saying in a Sabbath morning prayer
"And thus knowest dear Lord that I
quote a writer in a late number of the
Quarterly Review, etc."

ONE THING LEFT
"Well," said the Spaniard, as he tu-
red in for his steaks, "there's no use of our
borrowing trouble." "I know it," re-
plied the Minister of Finance. "But it's
the only thing we can get without col-
lateral."
