The Huntering Out of Volumers Will be Blow, Payment of the Cubal

Washington, December 30 - Senators Collection Of Eorks Presented To and Representatives who have called at the War Department this week, in connection with the decision of the Unbinet last week, to have 50,000 volunteers mustered out as soon as the arrangements to do so could be perfected, do not regard the outlook for early mustering out of any of the regiments as encouraging. All they could learn was that the red tape mill was at work to determine which regiments should be selected to be mustered out. They know from exper lence just how slow that mill can be made to grand when delay is desired, and the prediction is being made by many that no volunteers, or at least no conport to the Governor During the last siderable number of them, will be mustwo years 325 books have been published, tered ou' before Congress acts upon the 190 have been presented to the Library. bill to increase and re organize the regu-1039 have been received from other jar army; and when that will be, no man States; 8 from foreign countries; 14 by can say with any degree of certainty at ing said that if the army bill failed in Judge Henry R.
