ORDER ISSUED

Restraining Commission from Increasing Ruilroad Valuation.

Greensboro Votes a Big Bond Issue. Amendment Will Carry. Papers Lost from Library. Populist Nominee for Governor.

has granted an order restraining the corporation commission from increasing the assessment of the Southern, Atlantic Coast Line and Scaboard Air Line Railroads from \$32,500,000 to 42,500,000 The clerk of the commission was served with a copy of the order by the clerk of the United States Circuit Court here. The clerk of the commission is making out the assessments for the Auditor and months. The exodus appears to be al-Treasurer. Major Shaw, one of the at most entirely from the section east of torneys for the railroads says: "ifender son and Price represented the Southern Burton and Rountree the Coast Line, Watts and I the S. A. L. We made the point the corporation commission has not the power to originally assess property the act creating the commission be ing very defective. This is one point Another and a very important one is the unequal assessment of property. The inequality is glaring. In many counties tric Company, of Raleigh. An entirely other property is assessed at 40 per cent. less than its full value, while railroad installed property is taxed 100 per cent. In many counties it is more than 40 per cent

The \$300,000 bond issue was carried in Greensboro without the least trouble or poplar timber. He desires to bring Only 712 votes were needed to carry it Up to 6 20 o'clock over 100 votes had been cast for and one against the issue The final vote was 859 to 2.

The bond issue will be apportioned afor street repairing; \$35,000 for welly cossor. Steps will be taken to secure a market and auditorium; \$25,000 for an cent a mile rate on railroads for the fair electric light plant; and \$100,000 for water works.

These boilds will commence to be is sued almost immediately. The general understanding is that the city authori ties will confer with the electric light and water works companies with a view to purchasing at a reasonable price, but last at an end. Official ostracism, aided if the companies will not sell, then the by the sage advice of Vice President Hocity will build its own electric light bart, has finally brought about the replant and water works. Of the bonds sult so urgently demanded by the coun-\$75,000 will be devoted to improving the try-the resignation of Russell A. Alger streets and \$35,000 to erecting a market as Secretary of War. The resignation ing the electric lights and the water works and for the extension of the city newerage.

Election Return Copies. The Proposals For State Bonds. At Work On The Roads. The State Farms Look Well.

RALEIGH, July 20 .- Adjutant General Royster was here on his way to Camp William E Shipp to see the Second Regifall be would complete the Third Regiment by add ng four companies. It now panies was adjusted, he replied that he thought it would adjust itself.

The following commissions were is sued to officers of the Third Regiment which goes into camp near Morehend City next Saturday afternoon: B. C. Woodall, of Durham, adjutant Third Battalion; Thos H. Crudup, of Kittrell, commissionary; F. P. Wiggins, first lieutenant, and E. C. Price, second lieuten

ant, Company II, Warrenton. The quartermaster general has completed the equipment of the Third Regiment. Col. Loge Harris has gone to Camp Shipp.

The Secretary of State is !having prepared, at the instance of Congressman W. T. Crawford certified copies of the election returns for each precinct in the ninth district at all the elections from 1892 to 1898, both inclusive.

The Neuse River Manufacturing Company was chartered today, capital \$100, 000. This is the company which will build and operate a 10,000 cotton mill at the Falls of the Neuse, near Wake For est College. The stockholders are R. H. Battle, J. G. Brown, C. G. Latta, J. S. Chamberlain, W. W. Vass, E. H. Lee, J. A. Jones, and V. B. Moore.

State Treasurer Worth has issued his proposals for bids for the \$60,0000 of bonds with which to pay for the Caledonia farm. The bonds run ten years and are 4 per cents, bearing interest from July 1, 1899. Bids will be opened August 16th. Bids under 104 will not be considered, and the right to reject any or all hids is reserved.

The people here, who recently voted so unanimously for the issue of street improvement bonds, which brought 106. congratulate eaterprising Greenshoro on vesterday's handsome majority for

bonds. The most earnest efforts will be made by President Richard H. Battle, Secre tary Joseph E. Pogue and other officers of the State Fair, to get rate of one cent it means money for the railroads, as well as the fair.

As a result of the five days' work of the Superior court here last week, 27 persons were sent to the public roads, bringing the road gang up to 100. The force is now at work on the road in what is known as "Rhamkatte" (a corruption of Ramegate) southwest of Raleigh. Along this high plateau ran the "King's highway" between Salisbury and Wilmington, and there it was that Cornwallis made all his camp-followers stop on his retreat from Guilford Court House.

Secretary Brown, of the corporation commission, says that though he is going shead with the work of preparing the returns of assessment of the property of railroads and transportation companies, he cannot certify these to the Auditor and Treasurer, as the order of Judge the county did not get it too soon. Crops Simmonton forbids it.

EDITOR JOURNAL - The Irish potato crop is now harvested, shipped and rewhile all have done fairly well. Taking all together they having been a paying had better transportation and lower freights, as we ought to have had. Mr It is expected that when the men who Graham Jones shipped his crop to Char was obtained by any one in this place Ye northern merchants better look on a great deal of complaint by the farmers A mill treasurer who has just returned as to quotations they say they could not from New York says that the Standard get quotations and some who have here Oil Company, under its charter, could tofore been near flooded with postal card quotations, etc., have not had a line this season. They don't lay the blame to the northern merchants, but

> Other crops are fine, it does one good to travel over the farms and see the beautiful corn, cotton and potatoes, and oh those fine watermelons!

> Elder Aden of Bayboro is conducting a series of meetings at Bay creek this week. His congregations are increasing each day. His song service is conducted by Professor G. W. Daniels of Meste and is good. He is hard to beat on vocal music. Elders Lewis and Frost are preaching at Mount Zion this week. Elder Lowder will preach at Barnes Chapel next week, so you see we are having preaching at well as fine crops.

The farmers are just now putting the the finishing touch to their crops, and when they get done, they will be just so lazy they wont know what to do.

The timber getters here are very busy. Good weather and prices seems to make them hustle. We hear the Pamlico Lumber Go, at Vandemore is just overdone with logs, they have their pond full, and it is a large one, and are now having them shoved into Cedar creek which is near by.

We hear of a movement to put a steam boat on Bay river line. This is very commendable and badly needed. We hope that our friend J. O. B. of Stonewall will keep writing and talking steam boat until we have one.

The wedding bells having been ring ing. Mr. Richard Swindell of Hobucken. N. C., thought it not good to be alone. of the same kind, therefore a justice of the peace made valid the contract. They will make their home at Jones Bay. May a tender hand lead them along life's

rugged road. V, e have naturally on Bay creek some fine places for a logging mill. Why don't some of the timber men take ad vantage of it? We think there is much to encourage a mill here. Any one that is interested can write W. T. Mayo, Mesic, N. C., and he will give them all needed information.
