NEW CATHEDRAL.

Corner Stone Of The Good Shepherd Church To Be Laid.

Growth of Raleigh Shown in Figures. Improvements On the Southern. Timber Land Suit. Carr Pays More Church Debts.

RALEIGH, October 4.—The silver jubilee of the Good Shepherd church begins on the 9th of October and ends on November 1st, All Saints Day, with the laying of the corner stone of the big new cathedral in course of construction. All the former rectors of the parish will assist in the ceremonies. Rev. Edward Rich of Eastern, Md., the first rector of the parish; Rev. Robert Strange, of St. James' church, Wilmington, second rector; Rev. W. M. Clark, of St. James' church, Richmond, Va., third rector, and Rev. Dr. McK. Pittinger, the fourth and present rector; Bishop Cheshire, of this diocese, and Bishop Horner, of the Asheville diocese, will deliver addresses and assist in the laying of the corner stone.

The following figures taken from the books of Postmaster Bailey will give a good idea of the growth of the city of Raleigh. Six months of the year for the last three years are taken, as follows: April, May, June, July, August and September, total, \$15,301.68 for 1897; total for 1898, \$17,321.53; for 1899, \$19,189.93. This includes all receipts in the post office, except the money order business.

The Southern Railroad has accepted plans for new depots at Haw River and Hillsboro, and the contracts for the building of these depots will be given out at once.

The Royal Cotton Mill at Wake Forest was incorporated, also the American Warehouse company at Spray. This company will have a minimum stock of \$200,000, with the privilege of its reaching \$1,000,000.

Only 10 of the 27 Winston negroes who volunteered for service in the Philippines and went to Greensboro, passed the physical examination.

The Piney Woods Inn at Southern Pines will open about November 1st. Mr. Charles N. John will manage it.

The military company from Raleigh that went to New York in the Dewey celebration returned Sunday.

The Raleigh school committee yesterday purchased the Murphy school property, which is the second largest graded school in the city. The purchase price was \$11,575. The schools will all open on the 9th.

We had quite a heavy frost here. It did no damage in or near the city, but hurt things along the river.

In the Supreme Court the appeals from the second district were called, Tuesday.

Judge Farnell this morning heard at Chambers an important suit, McNaughton vs. McNaughton of Martin county, involving the title to about \$25,000 worth of timber land and other property. One of the parties in the suit is represented by Messrs C. B. Aycock and F. A. Daniels, and the other by Messrs Donald Gilliam, of Tarboro, and H. W. Stubbs, of Williamston.

Mr. Willis Grandy, the father of Mrs. T. H. Briggs, of this city is dead. Mr. Grandy has been identified with Raleigh for many years.

The corporation commission is still in session. The suit of Dr. Atubitt, ex railroad commissioner, vs. Mr. Beddingfield, for the right to a seat on the commission, will come up in the list of appeals from the fourth district.

For some years a debt has been on the Trinity church building at Durham amounting to several thousand dollars. After an effort by the congregation to raise this debt, Colonel Julian S. Carr paid the balance, and the church is now free of debt.

The total registration up to date at Wake Forest College is 2,8, being 21 more than at this date last year. Seventy two counties are represented, and seven States. The good preparation of the students indicate the progressive work at the academies. The faculty strongly favors good preparation.

Japan Decides For Secular Schools.

VICTORIA, B. C. October 2.—Oriental advisers from Yokohama say that the Japanese Government having decided to keep its system of education strictly secular, follows the logic of its decision by withholding its sanctions and privileges from all schools in which religion is in any form taught.

Some New Officials.

Four appointments were made yesterday on the A. & N. C. Railroad as follows: J. E. Konegny has been appointed agent at Dover to succeed H. L. Wooten. Miss Jennie Ives has been appointed agent at Riverdale in place of J. B. Fisher. Allen Tolson has been named for agent at Oronan in place of H. C. Har-dison. C. Bell appointed agent at Newport in place of A. M. M.

SITUATION UNCHANGED.

No New Developments In The Transvaal Situation.

LONDON, October 3.—There are no new developments in the Transvaal situation. Arrangements for the dispatch of war stores and men continue. A quantity of balloon material has been sent to South Africa, the War Office declaring that military ballooning will prove of the greatest value in the kind of warfare expected in South Africa. The chartering of the transports is still going on. Five vessels of the Cunard Line are now engaged.

One result of the war scare in an advance of one shilling to eighteen pence in the price asked for the wheat offered in the Lynn market today.

According to a dispatch from Lourenco Marques, Portuguese, East Africa, a crowd of Boers, who were assembled at the Machadorph station, forced the refugee passengers to uncover during the slaying of a Boer national air, and severely maltreated several Englishmen, stabbing one and kicking and trampling upon others.

The War Office, it is reported, has received an offer from two thousand officers and men of the Cuban army for service in the Transvaal.

BOERS' STRENGTH.

Statement That They Can Raise Not Over 22,000 Men.

LONDON, October 2.—In an interview today J. B. Robinson, a South Africa millionaire, who claimed to speak as a friend of President Kruger and the Boers, ascribed the failure to reach a settlement to the bad influences surrounding the President, the Executive Council and the Volksraad. He declared that the burghers of the Orange Free State were by no means unanimous in support of the Transvaal, and that if there was a war there would be a rush of these burghers across the Orange river into British territory to escape fighting.

Mr. Robinson said that the fighting strength of the Transvaal was grossly exaggerated. Speaking from intimate knowledge of the country, he estimated the total force, including the friendly Uitlanders, at 15,000 men, while the Orange Free State could put only 7,000 men in the field. In conclusion Mr. Robinson declared that the real, the only point at issue so far as the Transvaal was concerned was suzerainty. President Kruger would willingly grant a five-year franchise if Great Britain would agree never again to interfere in the affairs of the Transvaal; nothing else would satisfy him.

NO BACK DOWN.

Reception At The White House To Dewey And Talks On The Philippines.

WASHINGTON, Oct. 3.—President McKinley in honor of Admiral Dewey tonight gave the largest dinner party in the history of White House social functions. Covers were laid for over eighty persons. The guests included the Cabinet, the governors of nine States, justices of the Supreme Court, some of the members of both Houses of Congress, army and navy officials and others.

Shortly after the dinner Secretary Root, Secretary Hitchcock, Attorney-General Grigg, Senator Hanna, Chairman Boutelle of the House Committee on Naval Affairs, Ex-Secretary Bliss and Mr. Myron Herrick, of Cleveland, joined the President upstairs and there was an informal talk on the Philippine situation during which the President in a few words stated his position. Mr. Boutelle on leaving the White House said that from what the President stated the keynote of the administration's policy is to establish in the Philippines a proper government and leave details entirely in the hands of Congress.

WILL TAKE THE COTTON.

Western Union Offers to Buy all Sold on the Fake Quotations.

SAVANNAH, Ga., Oct. 3.—The attorneys of the Savannah Cotton Exchange rendered an opinion today on the matter of fixing the liability of the bogus Liverpool quotations of last Friday. They quote the Supreme Court of Georgia as saying that the telegraph company must at its peril, see to it that messages are sent and delivered without alteration, notwithstanding the company is not ordinarily an insurer.

"When a telegraph company enters into a special contract to furnish market reports, quotations, etc.," says the report, "it insures the correctness of the intelligence it receives for information as well as the correctness with which the communication itself is made."

The Cotton Exchange is advised therefore that the telegraph company is liable to it, but the Exchange is not liable to its members for trades made on the information received from the company. In such matters the responsibility is individual.

ATLANTA, Ga., October 3.—The Journal today publishes a story to the effect that the Western Union Telegraph Company will buy all the cotton secured by merchants at prices based on recent fake quotations which came over their wires.

Venezuelan Boundary.

PARIS, October 3.—The decision of the Anglo-Venezuelan Boundary Arbitration Commission was announced today. The award was unanimous and is considered in the nature of a compromise rather than as favoring Venezuela.

SHOULD SUPPORT.

So Say a Few Republicans of the Amendment.

Two Marriages Announced. 700 Bales of Cotton Picked on Anson Farm. Gov. Russell in New York. The Bonds are Coming.

RALEIGH, October 5.—Spencer Blackburn is at Greensboro attending the Federal Court. He takes a practical view of the franchise amendment matter, holding that the Republicans cannot afford to make it a party question. In this he fully agrees with Senator Fritchard, his party's supreme leader. He says he feels sure the amendment will be ratified. His idea is that the party should leave it to the individual members to decide what they will do, whether support or antagonize. There are Republicans who say that the plan for their party to pursue after the amendment is ratified to put it in their platform. Populist leaders, who will talk, say they believe their party will leave the matter of endorsement of or opposition to the amendment wholly to the individual Republicans quite evidently expect the Populist party to disappear next year, and that their party will get the small contingent which may not unite with the Democrats.

State Treasurer Worth is expected here from New York next Saturday. He saw the American Bank Note Company about the long delayed bonds to pay the penitentiary debt and for the purchase of the Caledonia and Anson farms. A telegram from the company says the bonds will reach here tomorrow, but Chief Clerk Denmark said he did not expect them until next week. The bonds for the Anson county farm were included in the issue, as the Treasurer had anticipated that its purchase would be made. This event happened.

Mr. Joseph G. Brown has drawn the \$5,000 appropriated by the last Legislature for the bronze statue of Vance. The work has been given, and soon there will be in Capitol Square a monument in memory of the greatest Governor North Carolina ever had.

The timber land suit case of McNaughton vs. McNaughton has been compromised.

The State Board of Pharmacy meets here on the 10th of October.

Mr. Arendall, purchasing agent of the penitentiary, says that the convicts some 500 in number, and the hired laborers, now numbering about 250, have so far picked nearly 700 bales of cotton on the Roanoke farms. He says the best estimate of the total crop is 2,500 bales. More laborers are to be employed. This week the big peanut crop is being gathered. The estimate of this crop is 40,000 bushels. The rice crop is nearly harvested. It is estimated to be 8,000 bushels. Next Monday 50 convicts who are now harvesting rice will be sent from the Castle Hayne farm to the cotton farms on the Roanoke and within ten days 50 more will be sent from the Castle Hayne farm also to aid in picking the cotton crop. The crop was originally estimated at 3,000 bales, but the weather affected it and caused a reduction.

The shirt factory at the penitentiary will start October 20 under the new plan. Only women will at first be employed in it.

It is thought Governor Russell will return here about the end of the week. He was expected to go to Washington from New York yesterday. While in New York he closed up some business with Mr. Ricard, his former law partner. At Washington he will see the Department of Justice regarding some balances yet due him on fees as special government counsel in the suit involving the title to Bald Head or Smith's Island, at the mouth of the Cape Fear river.

Invitations were received today to the wedding of Miss May Marcelline Broadfoot to Samuel Hinsdale MacLure, Esq., son of ex-Judge James C. MacLure, at St. John's Episcopal church, Fayetteville, Oct. 18.

One of the society events of the present month here will be the marriage of Miss Lizzie Taylor, niece of Dr. A. B. Hawkins, of this city, and Mr. Henry W. Miller, chief clerk to Vice President Andrews, of the Southern Railway. The ceremony takes place at the church of the Good Shepherd, on the 25th.

The executive board of the penitentiary is to meet here today. The full board of directors does not meet until the 7th.

Loge Harris, tomorrow, has two habeas corpus cases of Federal conviction in penitentiary before Judge Farnell. The cases are those of Bud Farris and Jephtha Bess, moonshiners, from Salisbury.

They were given eighteen months sentences; have served fifteen and under Judge Farnell's decision are entitled to three months' time commutation for good conduct.

FIZZLE NUMBER TWO.

Second Contest Between Columbia and Shamrock.

Special to Journal.
New York, October 5.—The yacht race between the Columbia and Shamrock today, to take the place of Tuesday's failure, proved a fizzle.

The Shamrock crossed the line at 11:01 o'clock and the Columbia crossed at 11:03. The Columbia then took the lead and rounded the stake boat at 1:15.

The wind was too light for the boats to finish, and the race was declared off when the boats were three miles from the finish. The Shamrock was ahead when the race was called off.

HABEAS CORPUS PROCEEDINGS.

Stranger Arrested on a Warrant From New Bern But Later Was Released.

Sheriff MacLure yesterday morning arrested a young white man, who gave his name as Patrick Howard, and who is traveling with the Wallace shows, on a warrant from New Bern, N. C., which alleges a malicious assault on one W. F. Bell, of Newport, N. C., on September 27th, the date of the circus performance in New Bern.

The warrant was for G. H. Hines as the man who committed the assault, and H. A. Nunn, Esq., counsel for Bell, came over yesterday from New Bern to look after the case. He identified Howard as the man who assaulted his client and had him arrested, though Howard stoutly denied that he was Hines and employed Hon. Jno. D. Bellamy and Col. A. M. Waddell to defend him, which they did by instituting habeas corpus proceedings before Judge Bryan, and having the prisoner released, having proved that he was not the man wanted.

Another warrant was issued for Howard in legal form for the offence, but after his release he could not be found by the officers on the circus grounds—Wilmington Star, 5th.
