It was the antiquated (but now happily exploded) method in the good old times, to treat Salt Rheum, Scrofula, Cancer and other troublesome disorders arising from BLOOD TAINT with powerful alteratives, such as moreury, arsenic and other mineral agents. It was experted by this treatment that the poison could be killed while the blood was left to course through its change a holding in its circulation the specific germs of the disease. But in the way every part of the body became more or less diseased. Nothing can be more terrible than a horribly destructive blood taint. It not only attacks virulently the different structures of the body, but many times the bones are honey-combed and destroyed. It often seeks out the nerves, and spinal cord, and again it will bring decay and death to some vital organ as the authova. liver or stomach. There is only one speciatic method for the cure of blood tasst. That is, PURIFICATION! Every particle of the I and must be removed through the exercetory channels, the lungs, kidneys, bowels, liver as fishing. "First pure, then peaceable." The great restorative, reconstructive and vitalizer of the blood, JOHNSTON'S SARSAPARILLA, not only radically and exhaustively removes the taint, but also removes all mercury, calomel and other minerals, and fills the veins and arteries with the ruby, glowing current of vitality. "The blood is the life." Good health means pure blood. The old and reliable remedy, JOHNSTON'S SARSAPARILLA, is universally regarded as the greatest Blood Purifier ever discovered. This fact is now established beyond question or cavil.
