CATARRH CAN BE CURED BY Johnston's Sarsaparilla

MIMPER IN

## QUART BOTTLES.

"DANGER IN THE EARTH AND AIM; DANGER EVERYWHERE."

## A Wise and Venerable Doctor Talks about Advanced Science.

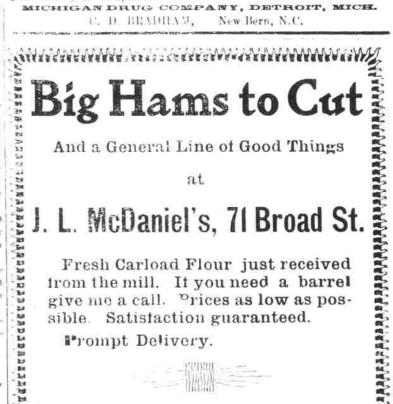

In a leading hotel, in a great city, a famous and aged physician was converse. Listening to his wise and sententious discourse, were a group of well Ing

Ing. Listening to his wase and sententious discourse, were a group of well dressed men, evidently lawyers, business usen and commercial travelers. My firm benef, is "that medical science recertain yet to show that all dis-eases without exception are caused by invisible germs which are living organ-isms. Here is the germ of that terrible disease diputherin. Here is the bacillus of typhold fever; and here is the still more dreadful bacillus of tubercle which causes that most destructive of all diseases, consumption. This of that very common and supposed invariable disease, catarrh." "I wish, Doctor," said the traveling man. "that you would tell us about

catarrh. Thave had it for years, and I am thoroughly discouraged." The Doctor answered. "Futurch, like diphtheria, consumption, typhoid fever, and a host of other discusses, is the result of a microbe invading the blood. fever, and a host of other diseases, is the result of a microbe invading the blood and attacking specially the microus membrane. This foul and most disgusting disease is especiality previously in the United States and it is rare to meet one who is not, or has not been troubled more or less with it. How often is he or she obliged to remain at home from pleasant entertainments, deprive themselves of many intelectual treats, from four of the disagreeable odor arising from ca-tarrinit affections. In its worst phase, the patient becomes loathome both to humself and his friends.

"I believe," continued this great physician, "that the true way to heal ca-tarch is to medicate the blood. This can be done only by powerful alteratives

which act as blood purifiers. In scan benche only by powerin alterative which act as blood purifiers. Bear Sirs —For ten years I was a suffecer from general debility and chronic catarrh. My face was pade as death I was weak and short of breath. I could hardly walk, I was so dizzy and had a ringing in my head all the time. My hands and feet were always cold. My app tite was very poor. On getting up in the morning, my head swam so I was often obliged to lie down again. I had awful pains in the small of my back - 1 had a continual feeling of tiredness. My muscular power was almost entirely gone, and I couldn't go half a dozen steps without stopping to rest, and often that much exercise caused me to have eps without stopping to rost, and often that much exercise caused me to have pain in my side. It seemed as though the blood had left my veins. The doe-ors said my blood had all turned to water. I had given up all hope of ever get-ing well. I tried the best physicians in the state, but failed to get any relief, by insband got me a bothe of Johnston's Sarsaparilla. I took it, and then I ought another. When these had been used, I was somewhat improved in h. I continued its use, and felt I was growing stronger; my sleep was reing and it seemed as if I could feel row blood moving through my veins. I in taking it, and now consider invielf a well and rugged woman. I work time, and an Lappy. Taka positive that the Sarsaparilla saved my life, ik Lendaches I have had since childhood, have disappeared, and my casuch as almost entirely left me. I cannot be too thankful for what Johnston's suc-saparilla has done for me. I recommend all women who have sick heads to use your Sarsaparilla.
