How Meckins Was Left, Cold Next Saturday. Shellfish Commissioner

White

Special to Journal RALLINIA, May 26, - At the breakfast work. which the Scaboard Air Line officials will give here next Saturday to its guests, who come from points North and South of Tere, on the first train from Tampa, covers will be laid for 100. The visitors will be welcomed by the Gov grnor and mayor, and they will take a look at the public buildings and the

One of the lest instances of Republi can political management of a convention, is related by the friends of Isaac M. Maekins, who thought he would list Salarday get the nomination for Congress from the 1st, district. He had 17 votes solid. There were 17 votes against him. He expected to get some of these. But revenue collector Duncan had a Pist county man made chairman. That county had I votes. It can that number and the chairman east another vote which broke the tie and left Meekins high and dry.

The United States Commissioner here who sent to juil a man bailing from Boton who was selling unstamped patent medicines, thinks he has got a prize, as he says there are grounds for belief that the man is one of the gang of safe-crackers who have done so much mischief in the State.

The phenomenally cool weather continues. There were tipes holicy and overcosts were seen. It is trying weather on the eation, as it has continued for a week.

Among testay's arrivals were W. D. Pruden of Edenton and F. F. Aydlett of Elizabeth Gity

Next week the state board of health will been a sporsar crumlar litter regarding the smallpox

Under the decision of the Sopreme Court The optides Wait, fusionist, a chief nyster commissioner gets: \$100 a year. The legislature of 1500 created sem scommissioners, at \$1 d salary cach one of them to be chief. The court says White is that chief the got a chief in spector of shellish \$500 a year. His attorney is deeply grieved because of his loss of so much "ple," \$100 n year White however wanted the \$2,869, that is the salary of all of the countaission

CATARRH CAN BE CURED BY Johnston's Sarsaparilla

"DANGER IN THE EARTH AND AIR; DANGER EVERYWHERE."

A Wise and Venerable Doctor Talks about Advanced Science. A Wise and Venerable Doctor Talks about Advanced Science.

In a leading hotel in a great city, a famous and aged physician was conversing. Listening to his wise and sententious discourse, were a group of well dressed men, evidently lawrers business in a and commercial travelers.

All numbered is that more all since is certain yet to show that all discusses without exception are caused by investing germs which are living organisms. Here is the germ of that terribe discusse diplatheria. Here is the bacillus of typhoid fever, and here is the still more dreadful bacillus of tubercle which causes that most destructive of all discusses, consumption. This of that very common and summissed mentable discusses catarric.

common and supposed megratic disease, extarth.

"I wish Doctor," said the trave ing man, "that you would tell us about catarth. I have not if for yours and I am thoroughly discouraged."

The Doctor answered. "Tatarth like diplitheria, consumption, typhold fever, and a host of other diseases, is the result of a microbe invading the blood. and attacking specially the minimum. This foul and most disgusting disease is expensively previously in the United States and it is rare to meet one who is not, or has not been troubled more or less with it. How often is he or the control the was is declared to be she ab. god to remain at home from pleasant entertainments, deprive themselves surely in significant. Three great British of many intellectual treats from four of the disagreeable odor arising from ca-

tarrh is to medicate the bond. This can be done only by powerful alteratives

which act as blood purifiers."

Betsy A. Marett, of Manistee Manistee Co., Mich., writes: Dear Sirs: - For ten years I was a sufferer from general debility and chronic arch. My face was pale as death. I was weak and short of breath. I could catairth. My face was pale in death. I was weak and short of breath. I could hardly walk. I was so dizzy and had a ringing in my head all the time. My hands and feet were always cold. My appetite was very poor. On getting up in the morning, my head swam so I was often obliged to lie down again. I had awful pains in the small of my back. I had a continual feeling of tiredness. My muscular power was almost entirely gone, and I couldn't go half a dozen steps without stopping to rest, and often that much exercise caused me to have a pain in my side. It seemed as though the blood had left my yeins. The doca pain in my side. It seemed as though the blood had left my veins. The doctors said my blood had all turned to water. I had given up all hope of ever getting well. I tried the best physicians in the state, but failed to get any relief. My busband got me a bottle of Johnston's Sarsaparilla. I took it, and then I bought another. When these had been used, I was somewhat improved in hea th. I continued its use, and felt I was growing stronger; my sleep was refreshing, and it seemed as if I could feel usw blood moving through my veins. I kept on taking it, and now consider my sulf a well and rugged woman. I work all the time, and an happy. I am positive that the Sarsaparilla saved my life. The sock headaches I have had since childhood, have disappeared, and my caterials has almost entirely left me. I cannot be too thankful for what Johnston's Sarsaparilla has done for me. I recommend all women who have sick head-
