Silver Republicans Take Stevenson And village Populists To Do The Same.

Special to the Journal.

KANSAS CITY, July 7. The Silver Republican National Committee met to day, in accordance with the instructions given by the convention yesterday, and score was Raleigh 5, Wilmington ? put Adiai Stevenson on their ticket with

It is reported that the Populist will pull dewn Towns and put Stevenson In his place.

The head of the Democratic Executive committee says that the headquarters will be at Chicago and that most of the work of the campaign will be done in

NOT A LARGE PART.

United States Will Not Be Able To Do Much In China.

Washington, July 9th-Unless the trouble in China is long drawn, out th United States will play a very small mi hary part in its settlement. That wa made certain when a conference of members of the Cabinet participated i by Gen Otis, decided that Gen. M-A thur was right in asking that no mor troops be taken from the Phillipines, t be sent to China, because of the dange that their removal might be taken as vantage of by the Phillipinos to rene the revolution, and decided that n

more would be ordered from there All the advices from China indica that a very large army will be neede to punish the Chinese, that even if thre months were to be consumed in gather. Mo. Pa. log that army, the United States could not have at the outside more than six or seven thousand soldiers in China, if no more are to be taken from the Phillip Rates to Wilmington For Tournapines- How this will strike public sen timent in this country will be better known when the fate of the Americans who were in Pekin is absolutely known, to sell round trip tickets to Wilmington, for intermediate points between here at a greatly reduced rate and not guessed at from a thousand N.C., as follows: conflicting rumors, as at present. If Tickets sold July 8th, 9th and 10th, our citizens have not been harmed, this final limit July 16th, 1800, at of tine June 10, 1900. country may be willing that other na. FIRST-CLSS FARE for round trip: tions thall do most of the fighting in | Tickets sold July 11th and 12th, final China, but if our citizens have been limit July 16th, 1900, from following murdered, our people are likely to de points at rates named mand a larger share in the duty of revenging them

Hot Weather Philosophy.

When the days are bot And the nights are not Just as cool as you're desiring, It's no use to scowl,

h's no use to growl, For more heat you're then acquiring Don't rush out to see.

How the mercury Up the narrow tube is hostling For 'tis better far

To stay where you are Than increase your woes by bustfing.

Don't each minute stop As your face you mop, To declare that "This is frightful,"

For some months ago. When you tramped through snow Your remarks were just as spiteful

Don't ignore advice And till up on ice That has melted into water. If it doesn't kill

It most surely will Make you feel a blamed sight hotter Don't Imagine that

Be you lean or fut You're the only one who swelters. For on every side. Though disgust they bide,

There are many other melters Don't express regret If you cannot get

bust the weather you'd be obtaining Take your collar off Then your thick yest doff, And stir up a breeze by fanning.

When the summer time Brings its heated clime It is wise then to remember. That it cannot last.

And, as in the past. 'Twill be cooler in December
