VOLUME XXIII.

Baking Powder Economy

The manufacturers of Royal Baking Powder have always declined to produce a cheap baking powder at the sacrifice of quality.

The Royal is made from the most highly refined and wholesome ingredients, and is the embodiment of all the excellence possible to be attained in the highest class baking powder.

Royal Baking Powder costs only a fair price, and is cheaper at its price than any similar article.

> s of mixtures made in imitation of baking rs, but containing alum, are frequently dis-d from door to door, or given away in stores. Such mixtures are dangerous in food, and in many cities their sale is the back the stores of the sale is a store of the by law. Alum is a corrosive poison, and
