CIVIL GOVERNMENT.

Taft Commission Plans for Its Establishment in Philippines.

WASHINGTON, Aug. 20. All arrangements have been practically perfected by the Taft Commission for commencing its duties in connection with the establishment of civil government in the Philippines.

The commission will assume, on September 1st, the functions which properly belong to the legislative branch of the government. It is not proposed that it shall be in supreme control.

The commission will be the executive of the islands and the commission will be co-ordinate with him, just as the executive and legislative branches in the United States are on the same plane.

The commission and the military will be co-ordinate in those towns where the military authorities are satisfied there is no danger of insurrection.
