THE IRISH PEASANT.

World Under Difficulties. The Irish peasant is still, thank heaven, what Sir Walter Scott called him after the visit of the great novelist to freland in the early thirties-he is still "the gayest fellow in the world pensant met with an accident which resulted in a broken leg. The neighbors of course commiserated him. "Arrah," he remarked, with a gleam of coolness in the face of the enemy."

"We came nearer to a dress parade the bundaged limb, "what a blessing it than that at Shiloh," said the sergeant. "Arrah," he remarked, with a gleam of

is that it wasn't me neck." men who had not seen each other for a sald O'Brien, "an I've got a fine, healthy bluey which the neighbors say is the very picter of me." Blake looked for a moment at O'Brien, who was not. to say the least, remarkable for his good looks, and then said, "Och, well, what's the harrum so long as the child's healthy?" And yet a peasant to whom a wittleism thus spontaneous-

ly springs may be very simple minded. The peasants' passion for rhetoric still induces them to commit to memory imposing polysyllables which they often misapply, with the most amusing model exclaim at a crying child in her arms, "Well, of all the ecclesiastical hildren I ever met you're wan of thim." A landlord in the south of Ireland recently received a letter from a tenant in the following terms:

Yer Homor Hepin this finds you in health, as it haves me at present, your building Hill has assessmand me poor culd donkey. - Nineteenth Century.

Kills the Song. (lifton Blugham, the author of "In Olc. Madrid " "Love's Old Sweet Song" and "The Dear Homeland," once said 'The moment a song is put 'on the streets, as we call it, it becomes trewated mendensly popular. You hear it everywhere. Every boy hums it as he goes to school. It is played in every street. But my publisher shakes his head sadby wher that day comes. It is generalto the beginning of the end-a boom which dies away. People get tired of hearing the same song wherever they go, whatever the song may be, and the song of the barrel organ is not welcome in the drawing room. So that A little girl came in her nightclothes | the putting of a song on the street orvery early to her mother one morning, gans means a fleeting fame, and thenwell, too often an utter relapse and

Hoor, a traveler noted with amazement than the misses of crystal were over clight feet high. Yet when holsted to their places far up in the dim heights in the reliable trace, and so on, with the precision of parade drill until all were across. Gencia, the feet high are the places far up in the dim heights in the reliable to their places far up in the dim heights they looked about the size of a man's discipline, that he sent a message to Colored the feet high. Yet when holsted to their places far up in the dim heights in the reliable trace, and so on, with the precision of that the misses of crystal were over clight feet high. Yet when holsted to their places far up in the dim heights in the reliable trace, and so on, with the precision of that the misses of crystal were over clight feet high. Yet when holsted to their places far up in the dim heights in or any purpose, from an unveiling to their places far up in the dim heights in the reliable trace, and so on, with the precision of their that the misses of crystal were over that the misses of crystal were over the parade drill until all were across. Genderal by the feet high. Yet when holsted to their places far up in the dim heights in order that the misses of crystal parade drill until all were across. Genderal by the precision of the feet high. Yet when holsted to their places far up in the dim heights in order that the misses of crystal parade drill until all were across. Genderal by the precision of the feet high. Yet when holsted to their tance, and so on, with the precision of which could do so well under trying cir-cumstances would find it easy to go through the evolutions of dress parade under fire. The colonel accepted this as an order and formed his men as if for on rollers. These they move from place | dress parade. At least for the space of yevers minutes the Eighty-first New York stood in line, with guns at parade rest, and then moved forward as if pass-

ing in review before the colonel. "I saw a case like that," said the cap-tain, "but it was an accident. Our colonel was given to a sort of mechanical use of the orders, 'Shoulder arms,' 'Order finside of the dome. Seen up there the | arms' and 'Parade rest.' The boys often thought he used these phrases absentmindedly, but whether he did or did not the regiment was brought to a parade rest half a dozen times on every parade. On one occasion, when the regiment was formed as a part of a long line of battle, it was reported that the enemy was about to charge, and the men, who had been resting at will, form-

ed quickly in line. "The colonel's voice rang out the order: 'Attention! Shoulder arms!' Then, to the amazement of the men, came the order: 'Order arms! Parade rest!' The regiments to the right and left were standing at a ready. The men of our under difficulties and afflictions." He regiment were looking steadily to the has a cheerful way of regarding circumstances which to others would be erward admitted that he never meant to most unpleasant and disheartening. A give the order, that it was in his mind to order the men to get ready to fire, but instead came out the phrase, 'Parade rest! and he took advantage of the unexpected to compliment his men for their

Two country- cross the Tennessee river on the evening of the first day's battle. General Nelson, our division commander, was so git all tired out! long time met at a fair. They had a anxious to get the men across that he tot of things to tell each other. "Shure ordered that no horses be taken with It's married I am," said O'Rrien. "You the first boatloads. So it happened that don't tell me so!" said Blake. "Faith, our own regimental officers were not present when we formed in line. One of the senior captains took command and was forming a line on strict parade principles when a large officer, taking short breaths, said: "That's right, cap-tain: straight as a rule-straight as a

"The officer was General William Nelson, who had crossed with the first boat-load, leaving his horse behind. Not one man in the regiment had ever seen him king. on foot before, although all of them were familiar with his appearance on horse-back. He seemed so different on what the boys called his sea legs and was so China, different in manner that at first he was and grotesque results. I heard a nurse not recognised. He took command of the regiment as soon as formed an moved along the line as if he were an inspecting officer. He was the hardest socially, if the man's grandfather, rather swearer in the army, and yet that evening he swore not once. The men, used to his blustering manners, were surprised at the look of anxiety and appeal on his face. He said in low, soft tones as he moved along the line: 'Now, gentlemen, remember what you have come to do, and do it like soldiers. Make your line as straight as a rule, and when you go for ward let the line of bayonets be as straight as if you were on dress parade. This will show the enemy that you are not afraid, and it will give confidence to our own men who have been fighting all day.' And that night and the next morning the men of Nelson's division went forward with lines as straight, with step as regular as though they were on dress

that I ever anw." said the old ex Confederate, "was when the army of the Gumberland formed to move forward against Missionary Ridge. Some of us who were watching that day saw the finest military display of our lives. Perched on the heights of Missionary Ridge, we looked down into a great amphithester into which marched as if for parade and review nearly 100 regiments. We could not measure the strength of the divisions. but we counted the flags, and we knew that in the mass there were at least 85 A. B. Branch. egimental organizations. My count was 93, but the boys insisted that I saw

We had no uneasiness at first, and we laughed at the idea of an army which we believed was at our mercy holding a grand review. We were interested all the same, and when the line so perfectly formed swept forward on our outposts carrying everything with it, we were startled out of our boots. I verily believe that that orderly parade of the army of the Cumberland, within the range of our sharpshooters, and the visible testimony of 85 regimental flags carried toward at double quick, did more to demoralise Bragg's army than any other incident of the campaign. When that same line swept up Missionary Ridge, Bragg's veterans scampered away, having in their minds whiens of the precision and disci-pline which they had witnessed a day or two before."-Chicago Inter Ocean.
