NEVER IMITATED IN QUALITY.

An Excellent Combination.

The pleasant and healthful effects of the well known SYRUP OF FIGS, manufactured by CALIFORNIA FIG SYRUP CO., is the value of its long history and the positive properties of purest figs and medicinal laxative and cathartic which in the form of a pleasant and palatable and acceptable food is the most perfect system of relief for the stomach, bowels, and the entire system, and is the only one of its kind that is so perfectly adapted to overcome habitual constipation. Its perfect freedom from every objectionable quality, and its safety, and its acting on the stomach, liver and bowels without causing or irritating them, make it the most perfect laxative.

In the process of manufacturing are used the most purest and best figs, but the most important results are obtained from the other natural ingredients known to the California Fig Syrup Co. Its perfect freedom from every objectionable quality, and its safety, and its acting on the stomach, liver and bowels without causing or irritating them, make it the most perfect laxative.

For the purpose of making it more palatable, it is flavored with the most delicate and purest of fruits, and is the only one of its kind that is so perfectly adapted to overcome habitual constipation.
