Allen says he brought about the defeat of the bul to create a code commission worthless. Instead of S commissions at purely technical fight, \$1500 a year each, he wanted one at \$300) and a secretary at \$1500, so as to get high class work.

It turns out that the cotton seed meal manufacturers in this State desired the whether he expected an increase in cot tax imposed of 20 cents per ton, which ton acreage in this section. He replied: representative McLean knocked out, "Yes I believe it will be much increased Their reason for desiring the tax was to if the planting conditions are favorable protect themselves and the buyers also I can't say how much the increase will be as great quantities of this meal is being. The weather has been very dry and shipped into this State from South Caro. somehow I look for a rainy spring, unlina and Georgia, short in weight and favorable for planting very different in quality; some being as low no5 per cent. McLean thought he had done a great thing but it seems he did not know what he was doing.
