Farm Work Progressing Rapidly.

Arrangements for Carolina Day Public Schools. Law Charters. New Corporation Bookkeeping Requirements. Insane Persons.

[illegible] Miss Fanny Heck, well known among the North Carolina Baptists, writes the State Superintendent of public instruction that she has made arrangements to have 50 public schools established, [illegible] the legislature to ms, by voluntary contributions. The Superintendent expressed his gratification at her work in the east and pledged his hearty co-operation.

There are nearly a dozen counties [illegible] to the Superintendent this year as there were up to the same period last year. This is because the public are not yet acquainted with the terms of the new law now going into operation.

The State auditor is now receiving lists of all the corporations in each county, together with the capital. A great clamor [illegible] to the [illegible] to be made by these.

Secretary Brimer of the State highway commission will send out this week the highway law, and all other matters in which the commission has jurisdiction.

The State treasurer says he will this summer institute an entirely different system of book keeping. The one now in use was begun in 1865. Martin's theft made under this antiquated system showed its weakness.

The attorney general decides that in case a wife is insane and her husband not indigent he must pay for her maintenance in an insane asylum, and that a father is there required to pay for an insane child under 21, provided the father be not indigent, but that he is not liable for the maintenance in an asylum of his children over 21. The new law, which required pay for non-indigent insane, made these rulings necessary.

The trustees of the Methodist Orphanage here are greatly pleased at the receipt of $25 from Col John S. Cunningham, of Person county.

Was Captured at Gettysburg.

Raleigh, May 1.—It is said there is less doubt as to the case of the two inmates of the Soldiers' Home charged with desertion was a deserter. He has been here more than six years. As to the other man, his captain says he never before heard of the charge. On the other hand it is said he was captured at Gettysburg, that nobody else in his company was captured, and that he never resigned his company. An inquiry as to him was addressed to the United States Commissioner of Pensions. The reply was an inquiry as to why the information was wanted.

Oak City Guards.

Raleigh, May 1. The new military company here selects the name of Oak City Guards. This was the name of a noted dark leaf tobacco company.

The Centre of Population.

Washington, April 30. The Census Bureau today issued a bulletin announcing that the centre of population of the United States, excluding Alaska and recent territorial accessions, on June 1 last, was six miles southeast of Columbus, Bartholomew county, in southern Indiana.

Our spring line of "Lion Brand" negligee shirts are now for sale, also a handsome line of pants, clothing, shoes hats etc. J. J. Baxter.

War About Over.

Washington, April 30. Three important cablegrams were received today at the War Department from General MacArthur, at Manila. In the opinion of the officials the news contained in them mark the almost complete collapse of organized rebellion in the Philippines.

It is said at the War Department by officers recently back from the Philippines, that there now remains in the field of Luzon only one chief whom they are particularly desirous of catching, namely, Cailles, the head hunter. This man has violated every rule of warfare and it is not expected that he will be taken alive.

President Greeted in Alabama.

Hobsonville, Ala., April 30.—Scenes attending the passage of the president's train along the route today were a repetition of those of yesterday. Crowds at every way station cheered and waved to the passing train while every farm house and cross roads held the group of eager watchers. At Huntsville a stop of ten minutes was made. Apparently the entire population of the town turned out to welcome the President.

The Kidnappers are Anxious.

Omaha, Neb. April 30.—An unknown person, purporting to be an agent of the kidnappers, has made a proposition to E. A. Cudahy to return $25,000 of the money paid for the ransom of his son who was abducted December 18 last.

The offer demanded in return a withdrawal of the $25,000 rewards and a cessation of the search that is being prosecuted, together with an abandonment of the determination to punish the criminals. This proposition came in a letter from Elgin, Ill., and Mr. Cudahy is convinced of its authenticity. He went to Chicago recently because of being summoned there by his brother, but kept [illegible] to overtures made him. Mr. Cudahy has refused to consider the proposition and declared his determination to prosecute the search to the end.

GRANTSBORO.

Change of Weather Makes Farmers Busy. Drummers Plentiful. Sickness.

Grantsboro, May 2.—The farmers are all busy planting cotton as the cold weather has made its departure, and people have a plenty to do.

A goodly number attended services here Sunday conducted by Ed. Hart.

Mr. D. W. Sawyer of Hyde passed through our little town yesterday.

Mrs. Alex Brinson of Bairds Creek, was the guests of Mrs. Gen. Dees Sunday.

Capt. Frank Bunting of Oriental, made a business trip here a few days ago.

Mr. and Mrs. Henry Mallison of Pelletier spent the day here Friday visiting friends and relatives.

Miss Sue Lane is very sick but, hope she will soon be O. K.

Mr. Lige Conner of Thurman, spent the day Sunday in our little town. And I suppose one was so inquisitive as I was. What attraction here for you?

Drummers are not at all scarce, for we only had six to visit our town yesterday.

Mr. N. H. Banks of this place, made a visit to New Bern Monday.

Mrs. L. H. Banks is very sick we extend our best wishes for her recovery, for that is absolutal.

Dr. Atmore of Stonewall passed through our town today. He is attending Mrs. Elias Casper, who has been sick for several months.

Mr. Simpkins of New Bern, passed through our town today. He has been to Washington on business. I suppose. C. L. and F.

ASKIN.

Children's Day Preparations. Wants to be Told. Goes For Jack Sprat.

Askin, May 1.—Mr. Almstead of New York passed through our neighborhood last week delivering maps. Every one who took a map is pleased with it.

Mr. Tom Ballinger of Ernul and Mr. W. T. Price of Askin went to Grifton last Saturday and came home Sunday evening, they reported a fine time.

Mr. and Mrs. T. J. Heath of Vance here came down to Askin to see Mrs. Heath's parents, Mr. and Mrs. W. H. Price, last Sunday.]

The Sunday School of the Christian Church at Askin is making preparations for Children's Day. We anticipate a fine time and a large crowd.

There have been several marriages around Askin of late and I think there will be several more before the ball stops rolling.

I agree with Jack Sprat about the items that are sent to the Journal. When I was reading not long ago where a certain gentleman flew through our little town on a business trip.

I would like for that to be explained how could the gentleman fly unless he had wings, and if he had wings I think some one ought to send him to the Fair and have them put on exhibition.

I also read where Mr. — and — spent a few days in our town, our town is indeed. I reckon you have a state school house, post office and a few tobacco barns but a city no.

I think it is ridiculous, preposterous and the very height of folly to write any such nonsensical and send it to a newspaper.

Let us hear from you again Jack Sprat whoever you may be. Askin has been silent of late but you and I will make up for it now. I am glad (and I know you are) that we can let the readers of the Journal know that Askin has two fools if no more. Journo.

Many representatives of boom publishing houses are here. They are of course very anxious to know what is the decision of the sub-commission as to the text books recommended. That report is sealed and its contents [illegible] secret. It is decided to meet at 10 o'clock next Monday morning and then open the report of the sub-committee and at that time decide whether bids should be immediately opened. The board about half way decided to open bids then, but this action is not final. It is decided that next Wednesday the book men and their attorneys or other representatives shall be given a hearing.

The Supreme Court declares that Judge George A. Jones of the 16th district is not a judge until June 30 and that there is no 16th district until that date.
