

### An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, Sympose fins, manufactured by the CALIFORNIA FIG SYRUP to, illustrate the value of obtaining the liquid lazatire principles of plants known to be medicinally laxative and presenting them in the form most refreaking to the taste and acceptable to the system. It is the one perfect strengthening larative, cleansing the system effectually, dispelling colds, headaches and fevers gently jet promptly and enabling one to overcome labitual construction per-manentize. Its perfect freedom from every objectionable quality and sub-stance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG STRUF Co. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package

SCHLEY ON WAR MEDALS.

Says Nations Should Perpetuate Great Events of Their History.

In reply to the letter sent to Admiral Schley by State Corps Inspector Colo nel James S. Long of the National Ar my of Spinish War Veterans, at the request of Captain John F. Dwyer of the Gloucester naval command of Brooklyn, apprising him of his election as an honorary member, the following was received by Colonel Long the other day

45 WART STATY FIGHTH STREAT.

NIS YORE, June 23. be recognized by more than a passing My Dear Colonal It is most difficult indeed for me to find words with which to convey to my commades of the telenester Naval command, No. event. 17. Spanish Way Veterane of Brooklen; how sincervely I appreciate the boson they have done me or how deeply their manimous election of me to hon-rary membership has too hed me. by a large number of the best citizens of the county to refuse to grant license to anyone.

The committeely growing out of equal exponents to the parties of war has been in all ages hold accred, and 1 hold in high bound to have been deemed worthy of the great distinction of hom Orary membership in an organization of my com-rader who shared equally with me the dangers of that July day in these of Sentings and who de-metry as much vecilit as myself for the bleesed that shows true manhood, and unbiased action in office. For, if there is anywork they did for flag and country on that his facin days. Touching the matter of your reference to a

medal, I save alread induced that nations ought of right to personants the great events of their history rationation. It selled the lives of particle parits and hard to the poli-tal caim of histori-Judgment to perpetuate on termine these who may down of house then tor in matry

### Het Weather.

Hot weather ! Yes, but really not Compared with weather twice as hot, Find comfort, then, is arguing thus, And you'll pull through victorious For instance, while you gasp and pant And try to cool yourself-and can't With sods, cream and lemonade, The heal at 90 in the shade Just calmily sit and ponder o'rr These same degrees, with 90 more On top of them, and so concede The weather now is cool indeed James Whitcomb Riley

### BASE BALL THE'S GAME.

Memory of Capt. Otway Burns to M Per. Fremont Expiains, Non Appearance, Who permated by Fine Monument, Large is to Blame ? Mt Olive, Tuesday.

Notes of the Game.

Fremont club, which told of the receipt

En JOURNAL -After reading in your paper the other day the article headed "Otway Burns Not a Pirate;" the reader To morrow, at Beaufurt, the unveil. No rain dampens the base ball interest wondered if any intelligent person could ing of the monument to perpetuate the in New Bern. Ymienlay Manager Clark he persuaded into believing that any memory and deeds of Capi. Otway was busy on the grounds, getting them civilized State or Government, had ever in good order, and last night the busy licensed, or sanctioned piracy. Preparations for the event, under the Manager had a bundle of letters from

VOICE OF THE PEOPLE.

To Capt. Otway Burns.

To make the statement that pirates infeated our coast as late as the year 1814 is s'mply ridiculous, yet it is still more preposterous to assert that the people of North Carolina honored and elevated to important official positions, for a period of thirty years, a well known ex-pirate when these very North Carolinians had one hundred years before that time, declared their eternal batted for plincy by condemning a tinvernor of the State. who was supposed to be on intimate terms with the pirate Teach.

Such statements in regard to Captain Dtway Burns, Commander of the United States Private Armed Schooner Susp-Dragon, are without foundation in good judgment or truth, and in view of the out for ionorrow afternoon at 5 grandchildren of Captain Burns are o'clock, in uniform, prepared for active doing the proper thing by the Siste as well as to themselves, in stating the true services of Captain Burns. Privateering is expressly recognized in the United States Constitution which authorized Congress to grant "Letters of Marque and Reprisal" and is the defense of a

We used it freely in both our wars with Great Britain and the Southern Confederacy relied on it in the late war. The prejudice against it comes from the wealthy commercial element in seaports, who think that wars should be fought out at the risk of the lives and limbs of those least interested-poor soldiers and sailors - but that property is too sacred to be ever put in jeopardy. Nothing reates a Peace sentiment in the breasts of that class so quickly, as the Priva-State, laboring under the impression that teer who makes them feel something of their property. Burns was not a pirate, country under authority conferred un-The remarkable exploits of the Snap-

Dragon have been told through Eastern North Carolina for three-quarters of a century. The daring of her brave crew and courageous commander, as written down day by day, without flourish or ornamentation in the plain and simple ", Goldsboro," The Parks club plays language of sailor folk in her log book, the admiration of some of the best men of North Carolina. In commemoration of his services to his country we will un vell a monument crected to the memory

of Otway Burns and a distinguished jurist and historian will set forth in detall some of his wonderful decds. The unveiling exercises take place at Beaufort, N. C., July 24th.
