More Pensions Than Ever.

WASHINGTON, Aug. 18-Commissioner of Pensions Evans has prepared a statement showing the operations in principal features of the Pension Bureau during the fiscal year as compared with former years. It shows that the number of pensioners on the rolls June 30 last was 997.785, a net gain of 4,206 over last year. The total net loss to the roll during the year was 43,586, which includes 38,152 by death; 863 by re-marriage; 1,582 by minora reaching the age of 16, 1,538 by fallure to claim pension and 1,460 from other causes. A comparative table shows that the roll for the year just closed is the "high water mark" in the history of the Pension Burean, the next bigbest having been reached in 1898.
