Thunder and Lightning.

Dr. Lyman Abbott recently telephoned across New York city to have a suit case previously left at his office sent up to the West Forty-second street ferry to meet the train he intended to take that afternoon to his home at Cornwall-on-the-Hudson. The office boy day and sold tobacco. He and Arthur commissioned with the errand was were on their way home, which is in somewhat verdant and returned from the Grand Central station with the infermation that he could not find the doctor. Whereupon a telegram was dispatched to Cornwill:
"Boy made blunder. L. (a son) will

bring case by late train." When the disputch reached its destination, it read (whether through ignorance or humorous intent on the operator's part is unknown): "Boy made thunder. Lightning will bring case by into train."

ASSOCIATIONS CONSOLIDATE.

Cotton Growers Unite. Warm Weather Helping the Plant.

Special to Journal.

RALEIGH, Oct. 24-The warm weather is having a most beneficial effect upon hounds to try to track the assassin, but the cotton. It appears to be a fact that there are no bloodhounds in the counthis crop is poorer in this section than any where else in the State.

The two cotton growers associations in the State are now consolidated, under the name of the North Carolina Cotton-Growers' Association. It was a wise regarded, so far as known by all who course to pursue, as one of them the know bim. Oction Growers' Protective Association, had a very amall membership.
