Complete External and Internal Treatment

THE SET, consisting of CUTICURA SOAP, to cleanse the skin of crusts and scales, and soften the thickened cuticle, CUTICURA OINTMENT, to instantly allay itching, irritation, and inflammation, and soothe and heal, and CUTICURA RESOLVENT, to cool and cleanse the blood, and expel humour germs. A SINGLE SET is often sufficient to cure the most torturing, disfiguring skin, scalp, and blood humours, rashes, itchings, and irritations, with loss of hair, when the best physicians, and all other remedies fail.

MILLIONS OF PEOPLE

USE CUTICURA SOAP, assisted by CUTICURA CINTMENT, the great skin cure, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dan-druff, and the stopping of falling hair, for softening, whitening and soothing red, rough, and sere hands, for baby rashes, itchings, and chaffings, and for all the purposes of the tollet, bath, and nursery. Millions of Women use CUTICURA SOAT in the form of baths for annoying irritations, inflammations, and ex-cortations, or too free or offensive perspiration, in the form of washes for ulcerative weatnesses, and for many sanative, antiseptic purposes which readily suggest themselves to women, and especially mothers. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines in ONE SOAP at ONE PRICE, the nest skin and complexion soap, and the nest toilet, bath, and baby soap in the world. Soid throughout the world. British Depots F.
