It was the Cat.

LICKPORT, N. J., Nov. .13-An innocent cat caused a great deal of trouble to the International Traction Company and the Niagara Falls Power Company last night. Puss climbed a trolley pole on the Buffalo & Lockport Rallway, at Confederacy today, was the report of the Hoffman, west of here, and tried to walk Jefferson Davis Monument Association. on the feed wire. Her tail touched the It showed that approximately \$13,000 parallel wire that carried the current was collected during the past year. The back to Niagara Falls. There was a flash that could be seen for miles as the 24,000 and will be in the form of an arch, spanvolts of electricity passed through her body. Puss was burned to a crisp.

Her body fell across both wires. This short-circuited the current, and a fuse burned out at the Niagara Falls Power House. The power was immediately cut off, and it was two hours before the cause of the trouble could be located, and the charred remains of puss be re moved from the wires. In the meantime the electric rall ways and street lighting plants in a dozen towns in Western New York were without power.
