

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, STRUP OF FIRS, manufactured by the CALIFORNIA FIR SYRUP Co., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect, strengthening laxative, cleaning the system effectually, dispelling colds, headaches and fevers gently yet promptly and embling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and sub-stance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP Co. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package

FISH DEALERS MEET.

Resolutions Regarding Rates Given to Competing Points.

The fish dealers of New Bern, Morehead City and Beaufort meet in New Bern N. C., January 18th, 1903, to consider matters pertaining to the successful prosecutive extension of their business. Many matters were discussed but all agreed that their efforts were handicapped by the discrimination in freights, via, the Southern Express Company. Rates from competing points by this company being lower than those given the points represented by dealers pres-The following resolution was unani-

mously adopted:

"Whereas, the rates of freight given the fish dealers of other points on fish and oysters are lower than those given to us, thereby necessitating the purchase of fish and oysters by us, or necessitating the sale at less price in order to meet competion from other points, there fore be it

"RESOLVED, That the matter of freights be brought to the notice of the Southern Express Company, and a demand made that the same rate be given to us as are given other points in the Southern Express Company's territory, thus enabling us to meet competition on an equitable basis. That if after thirty days this request is not granted, then an effort be made to obtain these rates through the Railroad Commission. That a copy of these resolutions be given the New Bern Journal, the News & Observer and the Coaster of Morehead.

hunting deer, ducks and coons. About thirteen deer have been killed nearby in the last two weeks; on Tuesday and Wednesday last, 7th and 8th inst. Mesers T M Woodhull and G W Ward and Revs. C B Paul and I N Henderson went on a deer drive in the country to the hospitable home of Mr Sol Gornto and nephew, Sol C Hewett' near New river, they started seventeen deer, that is their dogs did. killed three and wounded the fourth, Friend Gornto don't consequently the deer are very numerous as you will see.

Nine deer in one bunch were jumped and these ran out to Bro. Henderson and stopped in less than forty yards of taken by surprise at seeing so many goats, as he said he first thought they were, that he forgot to shoot, and let the whole nine deer run off without a shot. Now Bro. Ike says he never will stop to count deer any more before shooting, and don't want any one to mention nine | gerous in the absence of street lights, A deer to him again. Only the week before he had shot and killed 5 out of 6 into a gate that was open the night deer, a little while after this, next morn- before and quite severely injuring himing, another bunch of 5 of 7 were jump- self. ed and these ran to Bro. Paul, who promptly shot two deer and wounded a third, he thinks fatally; now Bro. Charlie did not stop to count before shooting and knows there were at least 3, 5, 7 or more in the lot if no more; another one or two were jumped in the evening and ran by Bro. Timothy, who had only a single barrel 6 shot winchester gun, but Tim was quick and a good shot too, and he shot that buck three times in almost as many seconds, hitting the deer on both sides. This was the best shot we ever saw we think; you bet Tim got that

G. W. Ward and Sol. C. Hewett got a good shot each, but failed to bag theirs in consequence of just missing where the others hit. Rev. Ike, was the only one who failed to get a shot, and all because he wouldn't shoot 9 deer at one time. W. E. Ketcham, W. N. Rouse, Allen Conway, and one or two others. names not remembered, killed one each during the week. Conway caught his in White Oak river, and a man, who said he owned the dogs that ran that deer, came and claimed the skin, saying it was unlawful to catch deer after they got in the water, but would not report him upon receipt of the hide. Wasn't that funny? There is no such law for White Oak river, if there had been, the deer hide wouldn't have settled it, and

Civil Service Catalogue.

The U. S. Civil Service Commission will hold examinations at several places in each State during March and April, to secure young men and women for the government service. 9,889 persons secured positions last year through these examinations. Probably 10,000 appointments are for life and for most positions only a common school education is reulred. Salaries at appointment vary rom \$950 to \$1390 a year with liberal promotions afterward. Polities is not considered. There is less competition in the Southern States than in other erts of the country. This affords a good opportunity for people between 16 and 45 years of age. Warehouse, New Bern, N. C.

Barlow and Wilson's Minstrels made their annual appearance at Powers' Opera House to an excellent house. It is a fact worthy of notice, that at each successive trip of this famous organization vacant down stairs seats have been few and far between. It follows that an attraction able to fill that portion of the theatre is one of intrinsic merit. The musical portion was particularly strong. The ballards of James Barardi, James Leonard and Joseph McGrath were pret ty renditions. The monologue work of Barlow and Wilson was very funny, while the popular Conroy and Murry met with an ovation that must have been exceedingly pleasant to those favorite comedians.
